CONGRESS GETS RECORD MILITARY BILL

ARABS ACCEPT ARMISTICE WITH 'EXPLANATIONS'

Make Plain in Reply to UN Proposal Their Disbelief in Lasting Peace.

By The Associated Press

Arab nations accepted with "explanations" today the United Nations' proposal for a four-week armistice in Palestine. The reply made plain the Arab belief there is no chance of lasting peace while the Jewish state of Israel exists.

Israel previously had accepted with "assumptions." One of these was that unlimited immigration, including men of fighting age, should continue during the armistice. The Arabs specified that continued Jewish immigration would constitue a grave threat to the Arab countries.

Scattered combat was reported in Jerusalem and elsewhere in Palestine pending a cease fire time, which the UN had not yet set. The Arab reply did not make clear whether the Arab acceptance of the armistice is conditional on the United Nations' agreeing to their "explanations." The Arabs left the time of the cease fire to be decided. The Jews had set 6 p. m. EST yesterday, conditional upon a similar Arab order.

Arabs Stress "Perils"

The "explanations" specified that any solution partitioning Palestine into Jewish and Arab states has no chance of success. That is the very point over which both sides have been skirmishing since late in November and warring in the open since May 15, when the British mandate ended. The Arabs also stressed Jewish immigration as a peril and asked to be allowed to cooperate with the UN to supervise compliance with the cease fire.

Prolonged debate, during which fighting will continue, appeared to be in prospect.

The Jews said Egyptian troops attacked Negba, south of Tel Aviv, and bombed Hulda, in the same general area. Marksmen of the Trans-Jordan Arab legion killed 20 Jews attacking the Zion, Jaffa and new gates of old Jerusalem after midnight in an effort to win back a foothold.

Artillery, mortar and automatic weapons exploded through Jerusalem while both sides awaited a cease fire order to become effective.

Say They'll Fire If Arabs Do

The Jews said they ordered their forces to cease fire at 3 a. m. Palestine time (6 p. m. Tuesday, Eastern Standad time,) but would resume fire if the Arabs kept shooting. The hour was that which the UN had set as the deadline for replies to its proposal for a four-week truce.

An Israeli spokesman said the Jewish acceptance of the truce was unconditional. The Jews, however, couched their reply with five "assumptions," one being that free immigration to Palestine should continue, regardless of whether the immigrants were men of fighting age. Egyptian Premier Mahmoud Fahmy Nokrashy Pasha said he did not think this acceptable.

The Jews also "assumed" food convoys and civilian traffic would go through the Arab road blocks to the 90,000 besieged Jews in new Jerusalem. They insisted that the arms embargo accompanying the armistice apply to British arms stored in the middle east.

They "assumed" there would be no blockade of Israel and that the Arabs and Jews should maintain positions held at the time of the cease fire.

Egyptian troops were but 14 miles south of Tel Aviv. They were reported shelling Rehovot, 12 miles from the Israeli center.

Irgun Zvai Leumi, a part of the Israeli army, asserted Jews penetrated Latrun and blew up a big Trappist monastery of silent monks. They said the Arabs used it as a strong point in their road block to Palestine. The Jews had been trying for weeks to break the Tel Avivi-Jerusalem road stranglehold, and by Arab accounts had met several bloody reverses.

An Israeli army spokesman claimed the cease fire order came at a time when Haganah was attacking the strategic Arab Jenin-Nablus-Tulkarm triangle in north central Palestine.

OHIOAN IN SHIP SINKING

By The Associated Press

WASHINGTON, June 2—D Hagan, a Marine private first class from Jerusalem, O., is among 39 men unaccounted for and believed missing in the swamping of a launch at Norfolk, Va., the Navy announced last night.

PREPARE FOR FIRST MARION THEATRE GUILD SHOW. Shown above are members of the cast of "The Whole Town's Talking," the opening production of the Marion Theatre Guild to be staged Tuesday, June 8, at 8:30 p. m. in the Thomas A. Edison Junior High school auditorium. They are, standing, left to right: George Sakel, assistant director, Robert F. Slatzer, director; Eric Paige, Charles Elliott, Stanley Moore, Clyde Rech and Richard White; seated, left to right: Mrs. Virginia Vandervries, Miss Ruth Vail, Miss Peggy Dixon, Mrs. Harryieta Hazen, Mrs. Betty Brady, Miss Miriam Secord and Mrs. Rose Sakel. Rehearsals are being held each night this week with the exception of Thursday and the dress rehearsal is scheduled for Monday night at Edison auditorium.

TRUMAN GETS ALABAMA JOLT

Majority of Delegates Pledged To Bolt If Civil Rights Plank Comes Up.

By The United Press

Returns from Alabama's run-off primary today jolted hopes of Democratic party leaders for a let-up in the southern revolt against President Truman and his civil rights program.

The returns showed that a majority of Alabama's 26-member delegation to the Democratic national convention will be pledged to bolt if a civil rights plank is adopted.

Alabama's Gov. James E. Folsom, who opposed a bolt despite his opposition to the civil rights proposals, apparently suffered a decisive defeat in his quest for a delegate-at-large seat at the Philadelphia convention. It was believed to be the first time an Alabama governor had been so rebuffed.

Despite the obvious anti-Truman mood of Alabama Democrats, all was not bad news for Mr. Truman south of the Mason-Dixon line. Maryland Democrats instructed their 28 conventions delegates to cast their 20 votes for Mr. Truman and to support Sen. Millard E. Tydings, (D), of Maryland, for the vice presidential nomination.

The Maryland delegation will include Gov. William Preston Lane who is chairman of the southern governor's conference but has refused to join the southern revolt against the President.

Meanwhile, incomplete returns from South Dakota's primary gave a pro-Truman slate of eight Democratic convention delegates a slight lead over an uncommitted slate.

With South Dakota behind him, Mr. Truman would have about 250 delegates pledged to him so far. He will need at least 618 convention votes to be nominated.

MUNDT BILL FOES IN CAPITAL TODAY

By The Associated Press

WASHINGTON, June 2—More than 3,000 foes of the Mundt-Nixon anti-Communist bill gathered in Washington today to protest the legislation. Most of them came from New York aboard three special trains.

They were greeted by former Rep. Jerry J. O'Connell of Montana, a backer of Henry A. Wallace for president, as "patriotic defenders of our ancient American liberties."

"The Mundt bill would wreck the Bill of Rights," O'Connel said.

A large number of police were at the union station, but there was no disorder.

Two mass meetings were scheduled for today and later the delegations were to call on their congressmen.

Leon Henderson, head of Americans for Democratic Action, said in a statement today that Communists secretly hope congress will pass the Mundt-Nixon bill.

HUNT MURDER SUSPECT

By International News Service

HAMILTON, O., June 2—An unidentified farm hand was being sought today in the murder of 46-year-old Morris R. Abbott, well known Butler county farmer. Sheriff Charles B. Walke said that he had the name of a "hot suspect." Abbott's body was found yesterday lying between the rails of the Chesapeake and Ohio railroad tracks one-half mile from his farm.

Louise Suggs Enters British Golf Finals

By The Associated Press

ST. ANNE'S-ON-SEA, ENGLAND, June 2—American Champion Louise Suggs of Atlanta whipped Dorothy Kielty of Los Angeles, 4 and 3, today to enter the finals of the British women's amateur golf championship. She will meet Jean Donald of Scotland, over 36 holes tomorrow for the crown.

They will play for the title Mrs. Babe Didrikson Zaharias of Denver took across the Atlantic for the first time last year.

Patrol Rents New Quarters

Highway Corps To Be Located on East Center St. at Seffner Ave.

"The new home of the state highway patrol in Marion will be at 766 East Center street," Lt. A. L. Bouton, state patrol housing chief, announced today. The patrol will occupy its new home July 1.

The property, located on the northwest corner of the intersection of Seffner avenue and East Center street, is owned by Mrs. Kate Elliott of 641 Cherry street. Arrangements for leasing the property to the patrol were completed for Mrs. Elliott by her son Hubert H. Goerlich of 220 Olney avenue.

"This location was judged to be by the civic mindedness of the local sub-station as it most completely met all our requirements of space and accessability to and from main highways and availability for the public to find the station," Lt. Bouton said.

"Col. George Mingle, superintendent of the state highway patrol, has asked me to extend his personal thanks and that of the patrol to the many fine people of Marion for their offers of housing our station here in what you might accurately call "our hour of need." Col. Mingle would have accompanied me to Marion today to inspect the new location for the Marion station, but was detained by the pressure of business at headquarters.

"He assured me this morning, however, he would be in Marion shortly to inspect the station and its new home," Lt. Bouton continued.

"Col. Mingle said only yesterday how greatly he was impressed the best suited is the needs of the people of Marion and the warm heartedness of their answer to our recent appeal in The Star for badly needed patrol quarters. For the colonel, Corporal Morgan, and myself, we want to thank Marion for its fine cooperation. Believe me, it's a pleasure for our men to work where they are wanted, and from the recent response to our housing appeal, I believe they are wanted here."

56 Years a Teacher, Resigns Kenton School

Special to The Star

KENTON, June 2—Frank Ellis, 76, has resigned as principal of the Kenton grammar school after 56 years of teaching, 44 of them as the grammar school head. Supt. Walter L. Collins in accepting the resignation of the dean of Ohio teachers, announced that Mr. Ellis will fill the post of mathematics instructor on the new junior high school faculty.

AUTO KILLS CHILD

By The Associated Press

WARREN, O., June 2—Elaine Little, 5, of Bristolville, north of here, darted across route 45 yesterday and was struck by an automobile. She died last night.

4 MINISTERS RETURN HERE

Reassign Methodist Pastors; Some Transfers Made in County and District.

Pastors of Methodist churches in Marion were reassigned to their pulpits here at the closing session of the Ohio annual conference of the denomination at Columbus Tuesday. A list of the assignments was released through The Associated Press from Columbus today. Changes of pastors in Marion county include New Bloomington - Meeker, Prospect, and Waldo. Several other changes were made in the Lima district of which the western portion of Marion county is a part.

Returned here were Dr. V. E. Busler, Epworth church; Rev. Henry Maag, Prospect Street church; Dr. Edwin A. Brown, Wesley church, and Rev. J. William Myers who is pastor of the Asbury church in Marion which is part of the Morral-Asbury charge.

Dr. Turley Assigned

Dr. C. E. Turley, a former pastor of the Marion Epworth church who retired at the 1946 conference was assigned to the Waldo-Norton church as supply minister. He and Mrs. Turley have been residing in Florida. Pastor of the charge last year was Rev. Charles Steward, a student at Ohio Wesleyan university at Delaware.

Coming to the New Bloomington-Meeker charge is Rev. J. K. Price who was stationed formerly at Christiansburg. Rev. W. S. Dibert leaves New Bloomington to go to Tremont City in the Springfield district.

Prospect's new pastor is Rev. L. L. Young who formerly was stationed at Ansonia. Rev. R. W. Knoop will go from Prospect to Mason in the Dayton district.

Returned in Marion county were Rev. C. A. Hutchison of LaRue and Rev. F. Melvin Wentz of Green Camp. Others returned in this area are: Rev. T. A. Ballinger, Alger; Rev. E. J. A. St. Louis; Bellefontaine; Rev. D. H. Markle, Forest; Rev. Fred Ross, Harpster; Rev. E. H. Jones, Epworth church at Kenton; Rev. E.

RAIL PARLEY CALLED COMPLETE FAILURE

By The Associated Press

WASHINGTON, June 8—White House efforts to settle the railroad labor dispute "have failed completely," union leaders said today.

David B. Robertson, representing one of three disputing unions, made the statement after union officials had held a lengthy conference at the White House with presidential assistant John R. Steelman.

Robertson, chief of the Brotherhood of firemen and enginemen, told reporters that Steelman is ending his long attempt to settle differences in the dispute.

PORTLAND FLOOD AREA. The flood swollen Columbia river (shaded area) brought a new threat to the heavily populated Portland area (A) within 120 miles of the river's mouth. Most gravely threatened cities are underlined. The flood's crest was moving past Umatilla, Pasco and Kennewick in the great river's Cascade Gorge section (B) in its dash to the sea. Location of Vanport, war-built community wiped out by a flood deluge Sunday is shown at lower left on the map.

RAGING RIVER'S CREST RISES ON WAY TO PACIFIC

Columbia Less Than Three Inches from Dike Top in New Danger Zone.

By The Associated Press

PORTLAND, Ore., June 2—The Columbia flood crest bore down on the Clatskanie area today in its rampage to the Pacific ocean. The river lapped less than three inches from dike top and was going higher.

Four hundred civilian volunteers struggled to raise the nine dikes in the threatened area two-thirds of the way down the 100-mile barricaded stretch between Portland and the sea.

Behind the hard pressed earthworks is the town of Clatskanie. Its population of about 1,000 has been evacuated. So have residents in other districts of the area.

U.S. Army engineers described the situation in the Clatskanie area as "critical" and it put the same label on five other areas, extending as far upriver as Portland where the crest passed yesterday.

But nowhere was the margin between safety and destruction as narrow as the cryptic "freeboard, two-tenths of a foot" reported by the engineers around Clatskanie.

Troops, Civilians at Work

Upriver, the most vital "critical" points were in the sandy and Multnomah drainage districts along Portland's north and eastern outskirts. There 200 troops and 700 civilian volunteers fought to bolster flood-battered dikes and keep Portland's airport and the big Troutdale aluminum plant from inundation.

Other critical areas were Sauvies island, slightly downstream from Portland; Scappose, 22 miles down; and Deer island, near the Oregon shore about midway between Scappoose and Clatskanie.

Of these the Scappoose area seemed in the greatest danger. The engineers said there was a combination threat of dike softness and only one and one-half foot freeboard. Troop-civilian teams battled soft dikes on the two islands.

Death Toll Undetermined

The crush of water seaward meant the worst was over upriver where the toll is 20 known dead, an unknown number unaccounted for in the Vanport disaster, 50,000 homeless and damage in millions of dollars.

The flood crest has passed the major cities—Portland, Oregon's metropolis; and Vancouver and Longview on the Washington side of the river. These communities, and many others, are trying now to get back to normal.

282 Harding Seniors Get Diplomas Thursday

Two hundred eighty-two students make up the 1948 graduating class of Harding High school whose final graduation activities are being held this week. Of the group, 148 are boys and 134 are girls. Also among this number are 25 veterans of World War II who qualified for their diplomas by passing a general education and evaluation test.

Commencement exercises will be held Thursday at 8 p. m. in the Chautauqua pavilion at Garfield park. The 1947-48 school year will close Thursday with all pupils in grade and high schools throughout the city receiving their grade cards Thursday afternoon.

Officers of the senior class, James Coss, president, Miss Claire Koeppen, vice president, Miss Phyllis Badgley, secretary, and Robert Short, treasurer, will lead the processional and recessional at the commencement.

Valedictorian of the class is Miss Joanne Anderson, with a 4 point average, having never received a semester average grade below an "A" during the four years of high school. This is the highest average which can be attained. She is the daughter of Mr. and Mrs. U. L. Anderson of 251 West Church street. Class salutatorian is Miss Mary Jane Ralph of 431 South Vine street. She attained a 3.965 average.

The annual "class day" program was to be held this afternoon at the Harding stadium, and the senior breakfast will be Thursday morning at 10 o'clock at the Masonic temple. School was out today at Harding, but will be resumed for a short time Thursday.

(Turn to 282 IN LIST, Page 11)

SCHOOL WORK CONTRACTS LET

Awards Made by Board for Silver Street Building Improvement.

Construction of the addition to the Silver Street school will begin "as soon as school is out," Lester L. Dickey, superintendent of schools, said today in announcing that contracts for the project had been awarded by the board of education.

Four contracts totaling $106,390 and covering construction, heating, plumbing and electrical work were let by the board of education.

The Steward Construction Co. of Marion was awarded the major contract, that of building the three-room addition to the school. The firm was low bidder at $87,780.

Heating and plumbing contracts were awarded the Grif M. Lewis Co., low bidder on both contracts. They bid $6,223 on heating and $8,937.

Another Marion firm got the contract for electrical work, the job going to the Triple Service Co. 159 S. Main street. They were low with a bid of $3,450.

Pare Original Figure

With the acceptance of five alternates in the proposals of the Steward Construction Co., the construction contract was pared from Steward's original $88,000 estimate down to the $87,780 figure, Superintendent Dickey said.

Two of the five items deducted from the total and included substitution of concrete for stone in coping with a saving of $1,130 and elimination of stone in construction of the east entrance which will cut $270 off the estimate for a total fo $1,400.

Three alternates added to the cost and included removal of the bell tower on the old building at $280, use of glass brick in windows of the main all-purpose room of the new building at $400 and uses of acoustical plaster throughout rooms and corridors of the new building at an added cost of $500, giving a total of $1,180. Net saving amounted to $220.

Cubic Foot Cost

General construction cost estimate figured at 78 cents a cubic foot with overall cost including electrical work, plumbing and heating 20 cents higher, Superintendent Dickey reported.

The board of education set aside $112,000 to cover the job which leaves approximately $6,000 for installation of seats and other equipment and some redecorating and minor repairs remaining in present building.

The balance of the $150,000 allotted by the board of education for the Silver street project includes $20,000 to be spent in fixing up the present heating system in the old building and the $13,789 already spent in relighting the building.

Fire Causes $2,000 Loss To Home Near Ashley

ASHLEY, June 2—A fire thought to have been caused by defective electric wiring caused loss estimated at $2,000 at the home of Karl Hines three miles southeast of here on the Bell-Maloney road about 7 p. m. Tuesday. The loss was covered by insurance.

Mr. Hines was in the yard when he noticed smoke coming from an upstairs window. He found a clothes closet to be on fire. Clothing in the closet was burned. Other damage was confined to the weather boarding. The Ashley fire department was called to fight the blaze. Estimate of the damage was made by Fire Chief O. L. Johnson.

A year ago, the Hines garage was gutted by a fire which left only the outside shell of the building standing.

25 Vets To Get Diplomas With Harding Class

Twenty-five veterans of World War II are included in this year's graduating class at Harding High school, having qualified for their diplomas by taking and passing a general education and evaluation test during the past year.

The special tests are provided for veterans through the veterans administration, and it is an advantage given to any xeteran who did not graduate prior to entering service.

According to A. C. May, principal at Harding, the policy of graduating veterans from Harding who successfully pass the VA test was adopted by the Marion board of education on Jan. 7, 1946. The plan has been approved by the state department of education.

All 25 veterans in the class this year had completed a minimum of four credits at Harding High school or at one of the junior high schools prior to entering service, had one unit of American History either by attending school or by examination, and completed the general test taken at one of the veterans testing centers, one of which is at Harding High school.

In the 1947 Harding graduating class there were 66 veterans, and in the year prior to that there were 42.

Veterans in the class are as follows:

Charles Ray Alspach, Stanley Allen Brandum, Edward Douglas Clemmons, Harold M. Dains, Orville Decker Jr., Thomas E. Dwyer, Victor H. Egnor Jr., Raymond Uhler Fout, C. G. Graff, Donald L. Jordan, Ivan Edmund Lilell, William H. Lore, James F. Messenger, Franklin K. McClaskey, Emeric James Nemes, Walter Eugene Niles, Robert E. Price, James R. Ruirdon, Leonard Cecil Richardson, Max J. Roseberry, James F. Rush, Milton A. Solce, David Earl Strobel, Gene Darnell Wanamaker and Thomas Merlain Welch.

CAPT. FOGLE RITES WILL BE SATURDAY

Body of Veteran To Be Returned Thursday.

The body of Capt. Richard E. Fogle, Marion serviceman killed in France in 1944, returned by the government to this country recently, will arrive in Marion Thursday afternoon. Funeral services have been set for Saturday afternoon.

Capt. Fogle was killed in action in Normandy July 22, 1944. He was an officer of an infantry company. Leaving Marion in October, 1941, he was stationed first at Camp Wheeler, Ga., then was sent to Ft. Benning, Ga., for officers' training. He was commissioned a second lieutenant in October, 1942. From Ft. Benning, he was transferred to Camp Claiborne, La., then went later to Camp Shelby, Miss. In March, 1944, he was sent to the port of embarkation at Ft. Meade, Md., and was in England for a time before being transferred to the continent. Before entering service, he was employed as a teller at National City bank. He was a graduate of Harding High school.

Born Jan. 7, 1920, in Prospect township, he was a son of Emanuel and Louise Howald Fogle, the father a native of Union county and the mother of Prospect. Oct. 14, 1942, he married Dorothy Bechtle. He was a member of Epworth Methodist church.

Surviving him also are his parents who live at 377 Nunin court, and a brother, Howard E. Fogle of 404 Reed avenue.

Services have been set for 2 p. m. Saturday at Epworth church. Dr. V. E. Busler, pastor will officiate. Burial will be in Forest Glen Memorial park. Friends may call at the Merle H. Hughes mortuary on Mt. Vernon avenue after 8 p. m. Thursday until 11 a. m. Saturday, then at the church.

RED MENACE WARNING SENT WITH BUDGET

More Than 10 Billion Dollars in Largest U.S. Peacetime Appropriation Bill.

By The Associated Press

WASHINGTON, June 2—The biggest peacetime military budget in the nation's history hit the house floor today—$10,196,072,250 for the Army, Navy and Air Force.

The appropriations committee at the same time released testimony warning of the "alarming menace" of Soviet military might and disclosing that the United States fleet now in the Mediterranean is there for two reasons:

►First, to serve as a warning to Soviet Union not to try to overrun any of the free countries of Europe.

►Second, to be ready to remove American forces if worst came to worst.

Adm. Louis E. Denfeld, chief of naval operations, told the committee just two weeks ago that the Mediterranean fleet of one carrier, three cruisers and 10 destroyers could be augmented quickly.

(A 12-ship task force headed by the carrier Kearsage left Norfolk, Va., late yesterday to relieve the vessels now on duty in the Mediterranean.)

Discussing the use of U.S. ships in foreign waters, Denfeld declared:

"Not only is the presence of our ships in certain troubled spots of the world today a clear indication to would-be troublemakers of our determination to maintain the peace; it is also the means, and the only means we possess, whereby we may act swiftly to prevent the overrunning of critical areas by an enemy...."

Two separate appropriation bills—given top priority for immediate action—provide $6,509,939,000 for the Army and the Air Forces and $3,686,733,250 for the Navy for the year starting July 1.

Half Billion Boost

Their combined total is $505,000,000 greater than the services are spending this year and more than three times as much as the regular 1941 budgets for the armed forces.

The committee recommended a cut of 6.1 per cent, or $241,005,450, for the Navy and 9 per cent, or $647,903,000, for the Army-Air Forces, from amounts President Truman had asked.

But both sums recommended are in addition to approximately $3,000,000,000 congress recently gave the services to buy aircraft.

The new funds are intended to build up Army and Air Force personnel to a top strength of 1,234,500 and the Navy and Marine Corps to 552,000.

This compares with reported Soviet military strength of 4,000,000 men, which Gen. Omar N. Bradley, chief of army staff, said presents "an alarming menace to the security of the United States."

Prepare for Undersea War

The Navy bill furnishes money to start working on a 65,000-ton aircraft carrier, largest in the world, and on a "killer ship" to combat submarines; two high-speed submarines, and two submarines of "an entirely new character" not otherwise described.

Also provided are funds to convert a carrier and two submarines into ships whose nature was kept a closely-guarded secret.

The committee was told that Russia has at least 250 submarines.

Testimony taken during the hearings shows that the Army plans to use 272,000 of its men overseas and 518,000 in this country. Its mobile striking force in the United States will include three infantry divisions, an armored division, an airborne division, two regiments of armored cavalry, four regimental combat teams, 12 field artillery battalions, 40 anti-aircraft battalions, two chemical mortar battalions and supporting forces.

The 1,234,500 manpower goal set for the Army and Air Force is 302,500 more than the two services expect to have in uniform at the end of this month—a factor that underscored the priority Republican leaders have given the draft bills pending in both house and senate.

Even though the Army-Air Force fund approved was the largest ever in peacetime, it was nine per cent below the amount President Truman had asked. Many of the cuts, however, were aimed at civilian personnel.

Provides for Future

It cut $647,903,000 from the President's budget requests for

SEEKS VOLCANO BLASTS' CAUSE

Scientist Sees Possible Similarity to Atomic Fission.

By The Associated Press

HONOLULU, June 2—Dr. Harvey White, University of California physicist, is trying to find out whether uranium fission causes volcanic eruptions.

If the cracking of uranium atoms is the source of this cataclysmic energy, then the Hawaiian islands were pushed up from the ocean floor by the same reaction—only slower—as that which devastated Nagasaki and Hiroshima.

Scientists know that volcanoes erupt when red hot rivers of molten rock and mineral work upward thorugh cracks in the earth's crust and break out at any weak point.

Energy Source Unknown

They do not know what source of energy forms these underground pools of molten matter. There are two theories.

One holds that the earth's interior is extremely hot but remains solid under pressure. When cracks develop in the earth's crust, the pressure is relieved and the superheated mass turns to liquid.

The other holds that heat is released through some process, turning solid to liquid. This might be done by oxidation or other chemical activity, or by radioactivity or some other form of atomic disintegration.

Lava, the volcanic outpouring, contains measurable amount of uranium, a natural source of atomic energy.

This led Dr. White to visit Hawaii, where he has collected lava samples from Maunda Loa crater.

Lava Tests Scheduled

White will put Maund Loa's lava through spectrographic tests, using the light bands given off by each element to find out whether neutron absorbers such as cadmium are present.

Neutrons are the bullets which break down the uranium atom. If lava contains sizeable amounts of neutron absorbers, the atomic fission theory of volcanic action would be ruled out.

Chemical analyses of lava, which varies little in composition wherever it is found, does not positively establish the presence of neutron absorbers.

If the spectrograph tests confirm that there are none, then the theory that atomic fission primes the volcanic pump will be strengthened.

Nature would have produced, in the basalt layer of the earth, conditions similar to that hanford graphite pile created by scientists to manufacture atomic bomb fuel.

WHERE DIKE BURST, INUNDATING OREGON TOWN. This air view shows where the dike, protecting the town of Vanport, Ore., crumbled before the fury of the Columbia river an engulfed the city. Rail service was completely halted. (International Soundphoto)

HIGH COURT WON'T REVIEW U.S. APPEAL

Special to The Star

WASHINGTON, June 2—The supreme court Tuesday refused for a second time to review a government appeal demanding cancellation of two steel processing patents.

The patents are held by the Cold Metal Process Co. The govment contended they were obtained by fraud. It appealed after the Sixth U. S. circuit court of appeals declined to cancel the patents.

The supreme court on May 3, 1948, announced it would not hear the case. The government appealed for reconsideration.

By unanimous action in another case, the high court yesterday upheld "super seniority" for veterans who work for the federal government.

The ruling came in an interpretation of the Veterans Preference act of 1944, which applies to federal workers.

A civil service regulation drawn under the act, gives veterans priority in government jobs over non-veterans with greater length of government service.

Justice Black, speaking for the court, said that congress passed the law "with full knowledge that the long-standing absolute retention preferences of veterans would be embodied in the act."

The court refused to change its May 3 decision in the government's anti-trust suit against the Schine Chain Theaters, Inc.

The justice department had asked a clarification of the decision which upheld in part the government's contention that Schine has violated the Sherman Anti-Trust act.

The corporation operates movie houses in six states. Its principal office is Gloversville, N. Y.

WALDO CLUB MEETS

Several new members were initiated when the Waldo Stick and Sew 4-H club met Friday afternoon at the Waldo school. The group worked on projects under the direction of Mrs. Ralph Williams, advisor. A picnic lunch was planned for the next meeting to be June 11 at 12 o'clock noon at the school.

Love's Perilous Path

By ADELE GARRISON

My father enjoys his grandchildren so much, and romps so wholeheartedly with them that I wonder sometimes at the earnest attention they give to him when he speaks seriously to them. But while both Junior and Faith sometimes take Dicky's structures and mine much more lightly than we wish, I never have known either of them to disregard a single syllable of admonition my father ever has given them.

"If Dad weren't the elder statesman of the FBI," my husband said upon one occasion, "the private schools of the country would be bidding against each other for him as head master. There would be no disciplinary problems where he was in office. Just a word or two from him, and you could see the blisters rise."

The comment ran through my mind as I saw the rapt expression on my small daughter's face when she raised it to that of her grandfather.

"I never, never forget anything you say to me, Granddad," she said, and I knew she was speaking the truth.

"If I were not sure of that, Faith," he said, "I would not waste my time talking to you."

The child appeared to know instinctively that no answer was required to that speech, but I saw her little face set itself resolutely as her clear eyes met his.

"In the first place, my darling," he said, "Roderick and Junior were very much mistaken in what they said, and, therefore, you are wrong in believing it, and more in repeating it.

"I do not do just as I please, wherever I am," he went on. "I have to obey laws, just as everybody else does. Also, I do not have the power to make people come to me, whenever I wish, nor are people afraid to tell me what they think."

As he paused, Faith held up her hand as if she were in a classroom, and wished to ask a teacher a question.

"What is it, darling?" he asked, and I saw that his eyes held quickened interest as he looked at her intensely serious little face.

"May I ask you a question?" she faltered, then added quickly, "I don't mean to be rude."

"I know you don't, darling," he said, but I stirred uneasily, for I know the unexpected quirks of my small daughter's brain better than he does.

"I was just wondering," Faith said meditatively, "if you could tell me how many times people had disobeyed your orders in the last year, and if you really think Mr. Olson, the manager of the hotel would dare come up and call you down, no matter how much noise you made."

"Faith!" I gasped aghast, but her grandfather put up a protesting hand to me, and I leaned against the door, while I wondered curiously how he would deal with the questions Faith had just propounded, and which he and I knew were based upon facts.

"I will tell you, the truth Faith," he said. "Nobody has disobeyed my orders in the last year, but—" his spaced and emphasized words took the gamin gleam of triumph out of her eyes —"that is because I have given no one an order which was not reasonable."

"As for Mr. Olson," he went on, "he would not come up here and 'call me down,' as you say, because he knows I am a dear friend of Mr. Veritzen, the owner of the hotel and his employer. But, I am very sure that if we were making too much noise up here, noise that disturbed the other guests, Mr. Olson certainly would go to Mr. Veritzen, and ask him what to do about it."

"And a lot of good that would do him," Faith said. Then she clapped her hands over her mouth, and looked in horrified fashion at me.

"That slipped out, Mummy," she said contritely the next second. "I didn't mean to say that."

Buoyant answer to Back Road and Boulevard

White sidewall tires, as illustrated, available at extra cost.

REMEMBER that rough patch of road up yonder where the ruts and ridges make a washboard seem smooth?

Recall the tiring tenseness brought on by the drum and hum of road noise and tremor even over smooth concrete highways?

Well, clock away the miles in this stunningly styled Buick — and meet up with the sweetest answer to such matters this side of cloud cruising.

"It's a ride that's soft and smooth as velvet," folks tell us. And we tell them it comes from a host of things.

It comes from the ample roadweight of a two-ton car built low and wide — and so beautifully balanced it handles light as a baton.

It comes from the leveling buoyancy of Buick's all-coil springing which puts a pillow of deeply coiled steel at *each* wheel to soak up the bumps and ripples.

It comes from the softness of bigger, lower-pressure tires that cushion away road tremors and roughness — from the sure-footed, swerve-free steadiness of Buick's extra wide Safety-Ride rims, widest in the industry.

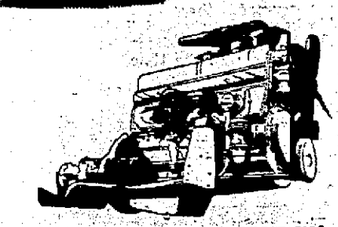
And it comes in special measure from a brand-new engineering gem we call Vibra-Shielding which banishes vibration build-up.

Here for the first time you're freed from the motoring fatigue brought on by tiny tremors piling up into bigger ones. Here your miles are made moss-smooth and quiet—long journeys become mere jaunts.

So why delay knowing the most buoyant answer to any road you ever traveled?

Come visit us now. Know at first hand the distinctive styling, the flashing action, the velvety ride over highway and byway that are Buick's and Buick's alone.

Then follow your heart's desire and get your order in *promptly*. We'll take it in proper sequence whether or not you have a car to trade.



REASON FOR THE VIBRA-SHIELDED RIDE

Placed with scientific exactness, 3 fat cushions of special composition cradle the engine so as to control its vibration frequency. Engine vibration is thus kept "out of tune" with those that might come from other parts of the car. The result is to shield car occupants against tiring pulsations, cut road noise, make engine sensation almost imperceptible and motoring practically fatigue-free.

When better automobiles are built BUICK will build them

NEWSPAPERARCHIVE®

In Plain Words *By James Marlow*

WASHINGTON ... on the problem ... and civil ... country. ... Constitution ... guaranteed certain ... the freedom of ... that you can criti... ment, even to urg... in its form. ... this so long as you ... can be changed by ... be jailed for ... a law against that

James Marlow

... created.)

... as you don't urge change by violence, you can even suggest this:

That once the change is made, a dictatorship shall be set up, a dictatorship to crush all opposition to it.

Doing that, of course, would mean wiping out the kind of civil liberties we have had so far in this country.

So that is one of the tests of the democratic system in this country:

To protect the civil liberties of a person, or group of persons, even though you know they will use those civil liberties to gain power to crush those liberties.

This problem was summed up in 1928 by Justice Holmes when he was a member of the supreme court. He said:

"When men have realized that time has upset many fighting faiths, they may come to believe even more than they believe the very foundations of their own conduct that the ultimate good desired is better reached by free trade in ideas—that the best test of truth is the power of the thought to get itself accepted in the competition of the market."

AND THE COMMUNIST party in this country is trying to do the very things outlined above:

They are using the guaranteed freedom of speech to urge a change in the form of government.

They plainly say that if they come to power they'll set up a dictatorship of the workers and wipe out all parties opposing the Communists.

In short, if the people elected the Communists they'd never again get a chance to vote for any party which opposed the Communists and who might, through election, supplant the Communists and change the government back to what it is now.

The Communists don't suggest the change be brought about by force or violence. As noted, they could be jailed for doing that.

(Nevertheless, enemies of the Communists say they're concealing their real purposes by carefully not mentioning violent overthrow.)

THIS IS NOT SOMETHING cooked up by enemies of the Communists. William Z. Foster, president of the Communist party, has stated the idea plainly.

In 1932, when he was running for president on the Communist ticket, he wrote a book called "Toward a Soviet America." In it he said:

"Under the dictatorship all the capitalistic parties—Republican, Democrats, Progressives, Socialists etc.—will be liquidated, the Communist party functioning alone as the party of the toiling masses."

Right now congress is considering a bill that would cripple, if not destroy, the Communist party in this country.

This bill says Communists everywhere are part of a world conspiracy to set up a Communist dictatorship for the benefit of a foreign power. (Russia isn't mentioned but Russia is meant.)

If the bill passes, the attorney general—if he can prove it—can decide American Communists are part of such a world conspiracy and they can be jailed.

ONE OF THE BIG arguments by opponents of the bill—and many opponents are not Communists—is this:

If what congress says is true, why doesn't the attorney general jail the Communists now, since there are laws on the books which could send Communist world-conspirators to jail without a new law?

These opponents of the bill say congress, if it passes the bill, will really be trying to deprive the Communists of the civil liberties guaranteed them under the Constitution.

MONSANTO OFFICIAL IS ROTARY SPEAKER

Discusses Building of Atomic Research Plant Here.

C. A. Budnick of Dayton, project manager for the Monsanto Chemical project and associated with the Mawson Construction Co. of Dayton which is building the Scioto Laboratories for the Atomic Energy Commission project here, spoke to members of the Rotary club at the club weekly luncheon meeting Tuesday at Hotel Harding.

Mr Budnick explained that his company wants to have the good will of the people of Marion and will do everything to cooperate with the industries here. He said the Mawson Construction Co. does not want to "pirate" employes or to interrupt or interfere with any of the normal activities of the community.

Mr. Budnick said at present there are 87 persons on the payroll here including clerical, technical and supervisory jobs. He explained that at least one year will be required for the construction work and that the cost will be around $5,000,000. At the peak of operations for the new plant, he said, there will be upwards of 500 people employed with a weekly payroll of approximately $75,000.

A film, entitled "Steel, Man's Servant" and produced by the United States Steel Co., was shown. It dealt with the making of steel from iron ore into railroad rails, seamless pipes, wire, sheet steel and others. The film was shown through the courtesy of David Pollak of the Pollak Steel Co.

Guests were Rotarian J. L. Patterson of Cardington, Rotarian E. C. Caluwaert of Cincinnati, T. R. Walraven of McConnelsville, O., J. V. Kappler of Kansas City, Mo., Alfred Perry of Ipswich, England, Orman E. Bright of Columbus, David Pollak, R. C. Owens, and Paul T. Leonard of Marion.

HELD AS WIFE SLAYER

By The Associated Press

ELYRIA, O., June 2 — James Bohach, 39, will be charged today with first degree murder in the shooting of his wife, Margaret, 34, Sheriff Carl Finegan said. Finegan said Bohach, a steelworker, signed a statement last night admitting the shooting Monday. The sheriff said Bohach admitted attempting to make the death resemble suicide.

FLAG DAY PROCLAIMED

By The United Press

WASHINGTON, June 2—President Truman has proclaimed June 14 as Flag day.

Expert in Community Chests Speak Here

Community Chests, their problems and achievements, were discussed "straight from the shoulder" at a meeting of the board of trustees, Mayor Harry L. Dowler, representatives of the various agencies making up the Marion Community Foundation, and others interested in the work, and Dale Brown, veteran volunteer worker in the Cleveland Community Chest, last night at Hotel Harding.

Mr. Brown, who is a veteran in Community Chest work in that he has been active in Cleveland campaigns for more than 25 years, came to Marion at the request of L. Otis Porter, president of the Community Foundation, and the board, as a part of the preliminary plans for the fall campaign now under way. Mr. Brown, now chairman of the budget committee of the Cleveland Chest, has served as section leader, on the speakers' bureau, in the house-to-house canvass, lay campaign head and in other capacities.

Speaking as a layman, Mr. Brown expressed the opinion that a community chest in any city, large or small, is the town's responsibility and to be successful must have the cooperation and whole-hearted support of employer and employe, the individual in the home, the worker in the factory and industry, business, office and store, no matter how large or small, and corporations and heads of industry and organizations.

Urges Year-Round Publicity

Emphasizing that the work of carrying through a successful campaign year after year depends not only on the volunteer workers who give their time and money, but also on the generous support of the community, Mr. Brown urged year-round publicity on the activities of agencies and an alertness on the part of the Community Chest heads and committees to the needs of the community.

In his talk Mr. Brown did not discount the fact that carrying on the work of a Community Chest and putting on a successful financial campaign is a "hard job," but was equally as certain that it pays dividends year after year in making a town or city a better place in which to live. "It takes time, patience and devotion," he added, "but it is all worth while."

In relating his experiences throughout the year Mr. Brown expressed the belief that it is almost a religion with many people to volunteer to work in the campaign year after year and stated this is equally true of many who contribute annually to the support of the work of the agencies supported by the chest.

Urges Quick Action

Mr. Brown stressed the importance of naming a campaign chairman, setting up divisions, house-to-house sales units and getting the work well under way immediately. "Tomorrow morning is not too soon to get started," he added.

Questions put by the men and women and answeed by Mr. Brown, brought out many plans and helpful ideas, which, while they can not be carried out on so large a scale as in Cleveland where more than 100 agencies make up the Chest, solved many local problems and provided an outline which can be easily followed here.

While the house to house canvass means a great deal of work, it is favored by Mr. Brown as a great help in the campaign. He favors shop solicitation, worked out by management and labor outlining their own method as to how this part of the campaign should be carried on, and said that Cleveland schools also participated in the campaign by having their own solicitation set-up. Schools, he added, are training centers for future contributors to the Community Chest.

In Cleveland, Mr. Brown stated, newspaper publicity is given during the campaign to contributors and the amounts contributed.

The Community Foundation, he said, is not the trustees, the chairman, and agencies, but it is all Marion, "Everyone," he added, "should be interested in seeing that it is in a healthy condition and a success."

Mr. Brown, who is associated with the National City Bank in Cleveland, came to Marion at no expense to the Foundation and expressed himself as being happy to be of help to the local group in so worthy a cause. Mr. Brown and the group met for dinner in the Presidential suite. Mr. Porter presided for the meeting.

SAVED BY SWIM. A two-mile swim through rough water to the Norfolk, Va., Naval Base saved the life of Boatswain's mate 3/c Thomas A. Rowe (above), of Huntington Park, Calif. Rowe was one of the 99 aboard a motor launch capsized by choppy seas enroute back to the aircraft carrier Kearsarge. Twenty-two were drowned. (International)

DELAWARE CO. YOUTH KILLED BY TRACTOR

DELAWARE, June 2 — Mark Cushman, 13, son of Mr. and Mrs. Cushman of near Galena, died yesterday in Jane M. Case hospital, following an accident in which he was run over by a tractor. The tragedy occurred at the square in Galena about 5:45 p. m. when the lad endeavored to jump from the seat of the vehicle and fell beneath the five-foot rear wheel. He was admitted to the hospital at 7:30 p. m. and died two hours later of internal injuries.

The youth told relatives that the tractor throttle stuck, and unable to control the machine he attempted to jump from the seat. The wheel passed over his abdomen and pelvic regions and then overturned in the road. He was returning to his home on the Vans Valley road after a day's plowing at Dublin.

Young Cushman was conscious after the accident and when he was taken to the hospital. He was first taken to his home in an ambulance following an examination by a Galena physician and then removed to the hospital after a second examination.

Funeral services will be held from the DeVore funeral home in Galena Thursday afternoon. Surviving with his parents are two brothers and five sisters.

DON FLACH HEADS MARION JR. C. OF C.

New Officers Elected at Meeting in GOP Headquarters.

Marion Junior Chamber of Commerce held an annual election of officers last night at Republican headquarters. Twenty-five Chamber members attended the session.

The following were elected for terms starting July 1:

Don Flach, president; Richard Lister, first vice president; Ray Coleman, public safety chairman; Walter Collins, treasurer; Jack Lautenslager, state director, and William Parks, reelected secretary.

Elected to the board of directors were William Noel, Clark Dozer and Lawrence Wenger.

Richard Lister was appointed chairman of an inaugural dinner committee.

The dinner will be held late in June.

Welcome Inn Opening Set for Saturday Night

The newly remodeled and redecorated Welcome Inn, located 10 miles south of Marion on route 4 will open Saturday night, it was announced today by W. J. Pitts, manager.

The inn will reopen on a seven day a week schedule and will feature dancing Saturday and Sunday nights. Foxy and his orchestra with Florence at the solovox have been booked for the opening.

The remodeling program which has completely altered the interior of the inn has also been extended to the grounds to provide parking space.

... going to operate all of ... ons to the maximum ... nd therefore, we would reach our requested strength of 790,000 by March, 1949."

There was no disclosure of Navy draft plans

If war should come, the Army will have a lot of ammunition to get started with

8½ Million Tons Ready

It told the committee it has on hand 8 500,000 tons of ammunition of various kinds, compared with practically none in 1939, 2,500,000 M-1 (Garand) rifles and 7,900 000 tons of tanks, trucks vehicles, guns and other equipment Some of the equipment is growing obsolete but most of it can be serviced and used in a pinch

* * *

GEN J. L. DEVERS, chief of the Army field forces, does not approve of profanity although he admits to a little cussing himself

Asked about efforts to hold down profanity in the Army, the general told the committee he seeks to discourage it. But, he added:

"I swear I cannot help it some of the time It just blurts out I would not be a balanced individual if I did not but I do not swear at people. If I do I apologize

* * *

THE HIGH COST of living has hit the Army, too

The average cost of thhe daily Army ration, quartermaster officers said, was estimated at 79 36 cents last year and 97 96 cents this year

* * *

THE ARMY'S 1949 budget estimates include $70,000 for rubber erasers

Rep Albert J Engel (R-(Mich) did a bit of quick calculation and came up with the discovery that "that is about two rubber erasers for everybody you are going to have in the Army."

* * *

ARMY SCIENTISTS have hit upon a development which may put the bug bomb business "in the beer-can industry"

By using low-pressure chemicals instead of high-pressure, they said, the insect-killing bombs now can be housed in ordinary beer cans instead of heavy metal containers One result is a price reduction from $1 40 to 60 cents a bomb.

* * *

ENGEL HAS GIVEN up his hunt for an Air Force second lieutenant in Washington and has decided that things have reached the point "where we have a Mexican army'—all stars and no bars

The chairman of the appropriations subcommittee handling Army funds complained to Army and Air Force "brass" that there are too many high-ranking officers

* * *

IF THE ARMY has its way, GI's soon will wear dapper blue dress uniforms when they go visiting

Officers told the committee the Army wants to retain khaki as "our work uniform," but provide a snazzy blue outfit for social occasions

Committee members indicated however, that it may be a long time before any funds are furnished for the "new look"

* * *

BUDGET

(Continued from Page 1)

$7,157,842 000 but $50 000,000 of this was offset by voting contract authority in that amount This means contracts can be let with the money to come from future appropriation bills

The total cash approved—$5,-618,203,000 for the Army and $891 736,000 for the Air Force—compares with $1,500,000 000 in the Army's regular budget for the fiscal year 1941 when the nation was girding for war and the Army and Air Force were financed by a single budget.

Coupled wit hfunds remaining from previous appropriations, it would make $12,438,731,829 available to the Army and the Air Force for the year starting July 1

The bill provides for an air force with a top military strength of 444 500 and an Army of 790,-000 The Army expects to have 540,000 by July 1 of this year and the Air Force 392,500 reaching their peak strength a year later.

BOOKED IN SLAYING OF FATHER. Freckle-faced Robert Weitzel, 13-year-old junior high school student, was booked at Glendale, Calif., on suspicion of murdering his father Elmer Weitzel, city prosecutor Weitzel was shot seven times as he and his wife sat listening to a radio program

FOREMEN ELECT 7 TO CONTROL BOARD

Name New Members at Meeting in Columbian Hall.

Seven members were elected last night to the board of control of the Marion Foreman's club of the Chamber of Commerce.

Elected for two-year terms were: Lester Dickerson, Marion Metal Products Co.; Harry Williams, Marion Power Shovel Co.; E. M. Breitnaupt, Commercial Steel Casting Co.; M. F. Bailey, Osgood Co.; R. A. Garverick, Huber Manufacturing Co., Francis T. Hartman, American Malleable Casting Co; and William Ehrick, Huber Manufacturing Co.

Present members of the board of control who still have one year of their terms to serve are Arthur A. Ward, H. E. Webster, Karl J. Marble, Roy Levett, M. H. Douthitt, William T Blana, Dan Perry, and Lester Alexander

Members of the board of control will meet soon to select officers from the board.

The annual election meeting of the club, was held last night in Columbian hall.

J. V. Kappler, a representative of the National Association of Foremen, described the work of his organization and its training and educational classes. The Marion Foreman's club is affiliated with the national association.

Mr. Kappler's address was followed by the showing of the technicolor feature picture, a U S. Steel Co. production "Steel—Man's Servant," secured by David Pollak, of the Pollak Steel Co.

A refreshment and recreation session followed the meeting with the luncheon being served by a committee headed by Bob Scott. H. H. Douthitt is president of the Foremen's club while Hugh E. Webster is secretary

WEDNESDAY, JUNE 2, 1948

A Job of Caulking

THIS week President Truman starts on an expedition unprecedented in American politics. He undertakes a pre-convention tour to strengthen his chances of renomination.

In an election year, the Chief Executive, prior to the convention, has had only the task of preparing his acceptance speech and making known his choice for vice president. But the old alliances that make up the Democratic party have begun to come apart at the seams. Mr. Truman's expedition will be in the nature of a caulking job.

The President's five major speeches will be in areas where draft-Eisenhower sentiment has been strong. His hand is reinforced by the fact that his sentiment is unorganized and based largely on wishful thinking rather than on any likelihood of Eisenhower's acceptance. The President's hand also is reinforced by the fact that no avowed and capable rival has arisen within the party to challenge his leadership. Indeed, during the Truman incumbency no second in command has emerged as a likely choice for vice president, so that today his choice of a running mate is as unsettled as it was two years ago.

As he opens his pre-convention campaign, Mr. Truman will rely largely on extemporaneous speeches, which he has been delivering with considerable success. By informal speeches and personal appearances across the nation, he hopes to rise in public esteem and make such a favorable impression on doubtful party leaders that all draft-Eisenhower talk will be silenced.

Commencement Address

THE BEST commencement addresses, of course, are never delivered. They are the ones that commencement speakers dream of delivering, but replace at the last moment with something more befitting to the occasion.

If it weren't for the habit of some commencement speakers of making notes on what they might say if they dared, undelivered commencement addresses all would be lost to posterity. For example, these notes were found in the pocket of a suit about to be sent to the dry cleaners. They were written by a man who had been offered traveling expenses and an honorarium to make the commencement address at a well-known freshwater college.

"Lay off all goop about brave new world, bright future, era of opportunity and challenges of this and that," the notes said. "Tell the truth.

"Things are not going to be better. Nor worse. Just the same. Really not much change during recorded history. Gunpowder to atomic fission. No real difference. Fission more efficient. Same result.

"No chance for normalcy or horse and buggy days. Jet propulsion days now. New kind of normalcy. Everything confused, like life in big city. Therefore must quit calling confusion an emergency. People spoofed too long with that one. Even war not really emergency—always had war.

"New graduates have about as much impact on civilization as BB's on armor plate. But lots of fun trying. Main thing—having lots of fun trying. No use crying because world doesn't change to suit everybody—would be awful mess. Better be thankful it stays the same.

"Struggle getting tougher. Congratulate graduates on surviving. Poke fun at notion things tougher in old days. Few Indians. But lots of room, cathedrals in forests, unspoiled scenery, no income tax, no worries borrowed from other side of world. Moderns pay money for same thing now and call it relaxation.

"Harder to get education now too. More stuff to learn. Wonder all students don't go to pieces under strain. Must be made of stern stuff to come through the ordeal. Trials in fire or adversity may temper them better than their half-baked elders.

"Better look up texts of commencement addresses that have gone over big and borrow best passages. What about thinking up new twist on world being oyster etc.. ."

Good and Bad Drivers

CONNECTICUT has completed a survey of drivers which, while it revealed nothing new, brought known facts into sharper focus. The state used its police powers to summon the 93 drivers with the worst records in the state and enlisted the help of 93 volunteers, each of whom had driven more than 100,000 miles without accident.

Physical tests and interviews showed the temperament rather than lack of driving experience to be at the root of most accidents. No important differences were noted between the two groups in eyesight, blood pressure or mental reflexes. The careless drivers had exaggerated ideas of their mastery over alcohol. More important, the safe drivers were found to observe the rules of common courtesy and were satisfied to proceed to their destinations at moderate speed.

How these findings will be translated into law or otherwise utilized isn't apparent. But the survey does give a clearer idea of where the trouble lies.

Scanning the Record

By George E. Sokolsky

Break in Moral Fiber Leading U. S. Into Tough Time.

THIS appeared in "Time":

"A Manhattan dress designer named Wilma announced a new specialty—wedding dresses for divorcees. She suggested a pink silk shantung suit for the second marriage, a black silk faille suit with a crystal embroidered lace blouse for the third. Said Wilma: 'The bride's sophistication should increase in direct ratio to the marriage multiple.'"

It is a fascinating thought for a dressmaker, but the historian will put it down as a further evidence of moral decay. Divorce denotes social instability, the weakening of the moral fiber of a people, laxity in the maintenance of the family system. It is an admission of bad judgment, of inflexibility, of failure.

SOKOLSKY

When Mary Wollstonecraft and Ellen Key and other advocates of the liberation of woman from bondage to man encouraged love without marriage and marriage without permanence, they opened to womankind a vast, new world of liberation living in which taste and choice were substituted for responsibility and obligation. They and their associates and followers lived in a luxurious world, a peaceful and even orderly world, which could well afford the costs of marginal disorders. Western society has had this advantage over other societies for several centuries, because of the great wealth that flowed into Europe since the industrial revolution. A Harry Thaw, for instance, was a rare novelty that amused for the moment. But "Life with Father" is more characteristic of family life in western countries than the fiery revolts of Ibsen, Strindberg and Brieux. Maybe it was all what the sophisticates call bourgeois living, but it was comfortable, peaceful and permanent.

Divorce Glamorized

Nowadays, however, divorce has become almost as usual as marriage, and if one were to believe the peephole columnists, more glamorous. Divorce has received such popular sanction that it is unquestioned, even when achieved by overt collusion involving perjury. Small children speak of it as usual, and sophisticated magazines refer to it as a propriety. Those who live by publicity, whose main function in life seems to be to have their names and photographs published in newspapers and magazines, use divorce as a vehicle for self-advertisement and self-advancement. And it often helps them in both.

These days, however, luxurious living is a chimera. We shall have to live a harder and tougher life. No nation can long carry the load of

1. A $30 to $40 billion annual budget;

2. A $5 to $8 billion export of goods and services out of taxes to assist nations weakened by war in their rehabilitation;

3. A $8 billion plus service on our national debt;

4. A minimum of $10 billion cost of veteran upkeep, plus additional of non-war affiliates of veterans, such as hospitalization for veterans' dependents and even non-dependents—which can run to astronomical figures and might, and with little imagination, include the entire population of the United States;

5. A social security system on a non-actuarial basis, which may produce additions to the budget once the books are handled by standard accounting methods.

Austerity Coming

I could go on and on, and although much of this overlaps, it can be put in plainer language, that we shall, for years, be expending between $40 and $50 billion of the people's earnings, destroying the possibility of the individual accumulating venture capital out of his work and his thrift. For a very few years longer, Americans will be able to carry this burden out of the accumulations of three centuries of thrift—after that must come what the British call austerity—a tough, hard life. This does not make of me a prophet of gloom; it is rather a fairly accurate forecast of what the bad thinking of the 1920's and 1930's handed down to the 1940's and 1950's.

Success or failure, that is, the survival or decay of our civilization, will depend upon our moral fiber, upon whether we shall have the character, the stamina, the firmness in the right, to take a tough life—and like it.

The sooner our people realize what has happened to them, which anyone can discover by looking at the statistics of our current situation, the easier it will be to face the new world. Miss Wilma has added nothing constructive to all this.

(Copyright, 1948, King Features Syndicate, Inc.)

Who's at the Wheel?

By Joseph Alsop

WASHINGTON

IT IS important to realize that for all practical purposes, Secretary of State George C. Marshall has not been in full control of the formation of American foreign policy for some time. The Palestine problem is the most delicate and dangerous single problem that has confronted this country for many years. If mishandled, it is capable of bringing down in ruins the whole laboriously erected structure of our foreign relations.

Yet Palestine policy has lately in effect been formulated in a sort of no-man's land, somewhere between the Democratic national committee and the White House.

Joseph Alsop

This of course represents a return to the state of affairs that prevailed until a few months ago. Equally, of course, it will be denied that there has been any such return. And it is true that Secretary Marshall and his staff are still drafting the formal instructions for Senator Warren R. Austin at Lake Success.

This, however, does not represent real control of policy formation. Specifically, Secretary Marshall was expelled from the driver's seat with the surprise appointment of Major General John S. Hilldring as State Department Palestine adviser. This appointment was announced to Marshall and Under Secretary of State Robert A. Lovett by advance dope stories in the press, which contained the planted interpretation that the State Department was thus being superseded. Since then, on two vital steps, the advice of Secretary Marshall and his staff has once been ignored and has once not been solicited.

Specifically, Secretary Marshall and Under Secretary Lovett opposed the precipitate recognition of the State of Israel. They favored rapid recognition. But they wanted time to notify London and other friendly and interested capitals, and to go through the normal formalities in Palestine. The President insisted upon dramatic, immediate action (or rather the President's personal advisors induced the President to act dramatically and immediately) because it was desired to placate the American Zionists and forestall the Russians.

Marshall Not Consulted

Again Secretary Marshall and his staff were not consulted before the President invited Dr. Chaim Weizmann to the White House. Dr. Weizmann is one of the great men of our time, to whom any courtesy from President Truman must be an inadequate tribute. But the fact remains that the Weizmann visit was at least made to appear a major development of American policy. Over this development, Secretary Marshall had no control. And this development, furthermore, came close to upsetting the crucial talks in London between Ambassador Lewis Douglas and Foreign Secretary Ernest Bevin, which Secretary Marshall did control.

This sort of thing is all the more astonishing because President Truman is known to feel for Secretary Marshall something of the admiration of the lower classman for the football hero. There is, however, an explanation. The explanation will surely be denied even more vociferously than the existence of the state of affairs it explains; yet the facts have been learned on undoubted authority and deserve to be set down. The plain truth is that the New York Democratic leaders, Paul Fitzpatrick and Edward J. Flynn, some week ago gave the President a grim choice. They asked him to choose between again reversing his Palestine policy, or doing without the support of the New York delegates for his renomination.

Niles Stand

This vital development seems to have coincided with the decision of David K. Niles, White House liaison with the Zionists, to leave his post unless Palestine policy was changed. Whether there was any connection, is not known. At any rate, the President bowed to the New York leaders. And Niles, whose hand can be visibly traced in the events described above, stayed on at the White House.

It is difficult to foretell how long these influences will continue to mold American Palestine policy. There may have been another shift in the unpredictable balance of power at the White House in the last day or so. There have been reasons for such a shift. Several American diplomats in leading positions offered their resignations as soon as they learned of the state of affairs in Washington and were only persuaded to stay on by the personal intervention of Secretary Marshall's staff. The President's desk is piled high with other danger signals from overseas.

It is further reliably reported—although this cannot obviously be confirmed with assurance—that Secretary Marshall has personally warned the President that he is running the gravest possible risks. The President's political position is already bad enough, but without Marshall, he would simply cease to exist. A warning from this source cannot, therefore, be ignored. Perhaps the President will change again. Perhaps he will permit Marshall to support the British resolution before the Security Council, with certain agreed amendments, as is now planned. The test here is, in effect, between Marshall and Niles, who will certainly urge a different course. The outcome remains to be seen.

(Copyright, 1948, New York Herald Tribune Inc.)

Just a Minute

By Jack Tarver

She Won't Go for "Oh, Promise Me."

A New York divorcee has advertised for a husband with $10,000.

It's not only in the used car field that second-hand prices are up.

Personally, I can't understand this inflationary tendency in the matrimonial market. I haven't had anything but an academic interest in available females for some years now, but I have been under the impression that the situation was normal, with supply about equal to demand.

Still, there's this to be said for this romantic young lady who has put a price-tag on her affections: Whoever marries her need have no fear of not getting a practical wife.

Incidentally, that wedding ought to be something to see, what with the cash registers playing "Here Comes the Bride," and the best man having the ring in one pocket and a certified check in the other.

Come to think of it, $10,000 isn't much for a wife. It's just that most of the time the down payment isn't so large.

No Work Stoppage Here

From News of Other Years

TEN YEARS AGO

It was Thursday, June 2, 1938.

House leaders seeking to break the Ohio relief legislation jam, ordered for consideration the following day, bills to enable cities to levy local taxes and to borrow funds in anticipation of state grants for direct relief.

About 5,000 farmers from Ohio and surrounding states were guests of the Huber Manufacturing Co. at the company's annual threshers' picnic held at the plant.

A daughter was born to Mr. and Mr. Paul McAllister of Smith street.

Marion city schools received $23,731, a part of the $4,430,000 distributed by the state department of education to Ohio school districts to pay one-half of the school foundation settlement for March 1.

Mrs. Carl W. Sawyer entertained with a buffet supper at her home at White Oaks Farm, for Mrs. M. J. O'Connell of Washington, D. C., Mrs. J. C. Ackerson of Washington, D. C. and Mrs. Lowell H. Guthery of Los Angeles, Calif.

Twenty-six members of the general science class of the North Main Street school visited the Perkins observatory south of Delaware. The tour was conducted under the direction of Terley L. Vance, instructor of the class.

TWENTY YEARS AGO

It was Saturday, June 2, 1928.

Prosecuting Attorney Frank Wiedemann, following a conference with Common Pleas Judge George B. Scofield, announced that a special session of the grand jury would be called to act on the murder charge filed against Everett Koon, alias Cecil Dean, confessed slayer of Henry Foos, Marion county farmer.

An autographed letter of President Harding, said to be "in all probability the first full letter written by him while president to come up at auction" was bought by Thomas W. Best of Boston at a sale of the David M. Newhold collection of autographed letters and documents in Philadelphia. The letter, addressed to former Governor Campbell of Ohio and dated Sept. 21, 1921, sold for $1,100.

State Director of Agriculture Truax said Ohio farmers faced Prospects of harvesting the poorest crop of wheat ever produced in the Buckeye state. He estimated that of 2,471,000 acres of wheat sown in the state the preceding fall 71 per cent would be abandoned.

Mr. and Mrs. Lowell H. Guthery, who were to leave soon for Jackson, Ill., to make their home, were complimented with a dinner bridge given for 36 of their friends by Mr. and Mrs. Roscoe D. Mezger and Mr. and Mrs. James R. Smith at the Mezger home on South Prospect street.

Harold Carroll, Arthur Cheney, Hugh Wright and William Stair were weekend guests of Mr. and Mrs. K. H. Marshall and son Merritt at their Rye Beach cottage.

Allocating Trained Men

Resources Board Asks Changed Policy for Future.

THE National Security Resources Board is working out plans to distribute the nation's doctors between the military and civilian population in the event of another emergency.

Chairman Arthur M. Hill has named Dr. James M. Crabtree, former assistant surgeon general in the Public Health Service, to handle the job.

If Congress passes the draft, Dr. Crabtree could become arbiter of the disposition of all the nation's scientific and medical personnel. The Senate bill gives the National Security Resources Board "the authority and machinery necessary to maintain a correct balance between the military needs and the civilian and industrial needs."

The 1940 draft law gave the President the power to defer men for reasons dictated by the "national health, safety or interest." The current Senate bill goes further and gives him authority, on recommendation of the National Security Resources Board, to defer those and others engaged in "study, research and other endeavor."

Dr. Vannevar Bush, chairman of the National Research and Development Board, told the House Armed Services Committee:

"We are now suffering acutely from our failure to continue the training of scientists and technologists during the recent hostilities. We have a deficit in scientific manpower which has been estimated variously to be between 40,000 and 150,000 scientists and doctors with bachelors' degrees, and between 7,000 and 17,000 Ph. D.'s."

The House committee says the last draft law "seriously disrupted the scientific and research effort to the detriment of American technological advance." It said witnesses representing science and medicine unanimously agreed that the power to defer scientists and doctors should not again be given to the selective service system.

Death Rate Falls

The death rate from all causes among U. S. life insurance policyholders reached a new low in 1947 at 737.9 per 100,000, with declines shown for practically all causes of death including heart disease and cancer, the Life Insurance Association of America reports.

The 737.9 rate compares with 773.1 in 1946 and 763.9 in 1942, the previous lowest rate.

Heart disease constituted the leading cause of death among policyholders last year. Nearly half of all deaths were attributed to heart diseases, cerebral hemorhage and nephritis which together make up the principal diseases in the group called cardiovascular-renal diseases. The combined death rate from these causes in 1947 was 361.5 per 100,000 policy-holders. This was about 1 per cent lower than the corresponding rate in 1946.

Cancer, the second leading cause of policyholder deaths, also declined during 1947, the first drop in several years. The 1947 death rate of 114.8 compares with 116.9 in the previous year and 106.8 in 1942. Cancer deaths terminated an estimated 200,000 life policies last year.

Blood Cells

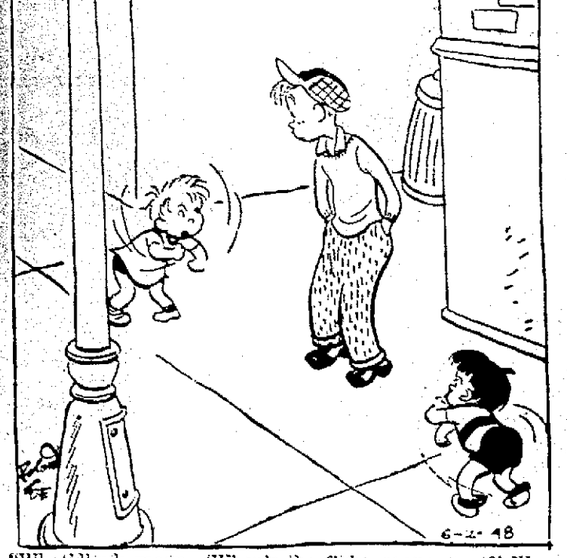
Plasma, extracted from blood donated during the war—and now, to some extent—does not contain the red cells. It is thought that hemoglobin extracted from the cells may add to the oxygen-carrying power of anemic blood or take the place of whole blood in cases of massive hemorrhage. If this substitute for whole blood works out, typing and "banks" would not be necessary.

Daily Bible Thought

God has done this again and again, but humanity does not learn. Wolves are exterminated, but sheep multiply.—Ps. 68:30: "He hath scattered the people that delight in war."

John Cabot first reached Newfoundland in 1497.

CROSSTOWN By Roland Coe



"What'd'yuh mean—'When's the fight gonna start?' We been maulin' each other for twenty minutes now!"

The Once Over

By H. I. Phillips

"Oklahoma" Folds

NEW YORK no longer seems the same—
A strange, great void is there;
The center of the town seems bleak
And desolate and bare;
In Gotham, Barnum, Jenny Lind
And Daley (Pete) are through....
The Indians have disappeared—
And "Oklahoma," too!

II

No Dutchmen rule the Battery,
The Half Moon's gone away,
The Hessians are a memory
And gone is Irwin (May);
The Broadway stage coach is no more,
And gone is Jim Fisk stout....
But still I find it hard to think
That "Oklahoma's" out.

III

No packet ships roll in the bay,
The Haymarket is sunk;
The Tony Pastor place is dead
And gone is Eastern (Monk);
The stockade long ago was raised,
Tweed's out these many moons,
And Forty-fourth street isn't filled
With horse and surrey tunes.

IV

Dick Croker's vanished with the wind—
And Carrie Nation's ax;
They've gone and closed the Ziegfeld roof
And even shut down Jacks;
Red Mike and Enright have vamoosed,
But this news leaves me frail:
Those cowboys are abandoning
The Forty-fourth street trail!

V

Babe Ruth no longer plays right field,
The Hippodrome is gone,
Lew Fields and Weber sleep in peace,
And where is Hazel Dawn?
The Roger Brothers are not here
And gone is Whalen's fair—
And all those spurs have suddenly
Stopped clanking in Times Square.

VI

Cohan & Harris are now ghosts
And so is Dillingham...
They tell me Lillian Russell's through
And so is Berhard, Sam;
The Redcoats have quit Murray Hill,
But this one pulls the cork—
The cowhands have surrendered
Forty-fourth street to New York!

Away back when people got along fairly we together?

"Well Done"

By TRUMAN TWILL

In the navy when a difficult job has been done successfully, the highest reward—next to a general issue of ice cream—is a "Well Done" from the head man.

At the end of another difficult school year, in behalf of all the head men who feel that we about what has been accomplished, the co ductor of this column is sending out a "We done" to the schoolteachers. There are too ma of them for ice cream at these prices.

In years past there has been some kiddi done here about the relationship between scho teachers and parents. The kidding, on occasio wasn't taken in the spirit that prompted it. it hasn't been repeated.

But—no kidding—the school system alwa has done a good job for this taxpayer's mone It can't always perform miracles but it hits higher level of outstanding performance, things considered, than the ordinary run organizations working with human material.

The surest way to evaluate what it does is wonder what would happen if it didn't exi Obviously, it would have to be created, and taxpayers were starting from scratch to bui a public school system they'd be up again it—hard.

They wouldn't have the prime asset of th school system as a going concern, which is th devotion and loyalty of thousands of men an women who believe in what they're doing an keep doing it to the best of their very consi erable ability. Money couldn't buy the going concern value of the school system, which something for taxpayers to think about whe they're asked to maintain what already exist

Like everything else that tries to do any tning, the school system has its critics, most o them second-guessers who know exactly wh should have been done after someone else h taken responsibility for doing what had to b done. This isn't to say there's no room for im provement in public school education. It's suggest that most of the "improvement thought up by the second-guessers wouldn't im prove anything.

The school system is winding up anothe year. It has given a chance to the bright kid to make something useful of their capacity learn. That is its highest function. It has strug gled with the kids who have no particula capacity to learn to keep them from sinkin into abject ignorance and dragging down so ciety with them. That is its perennial proble It's the place where the school system does it hardest work under the heaviest handicaps.

Looking at the results, most Americans w have to concede that the school system does far better job than they'd be able to do if the were running it and the teachers and admini trators were in the bleachers second-guessi them.

So, for the record as of the end of the scho year 1947-48, from one parent in behalf many, a "Well Done" to schoolteachers.

Roving Reports

By Hal Boyle

DO YOU feel crowded? Well, no wonder. You ARE getting crowded.

Every third breath you take somebody's born in the United States. But go on and breathe. If you held your breath an hour, it wouldn't cut down the population—except by one.

And that wouldn't help either. The cemeteries are getting crowded too. Practically everything's crowded. Cities, stores, offices, buses, trains, hotels, garages, bars, houses, streets, sidewalks. Even some churches. And all divorce courts.

Hal Boyle

About the only people today who complain they aren't crowded are night club or movie house owners.

Who's doing all the crowding?

Mostly it's people. But cattle, milk cows, hogs, airplanes, cats, dogs and motor vehicles are also to blame. They all take space—and there seems to be more of them coming along all the time.

But it isn't the horse's fault.

There were 26,493,000 horses and mules down on the farm in 1915. Last year there were only 10,024,000. And while the value of everything else went up, the average price of these plow-pulling oat-burners dropped from $66.90 to $55.40. Nobody wants to trade his kingdom for a horse these days.

BUT TO GET BACK to what's really crowding us:

In 1790 the population was 3,929,214, and the only folks complaining about being crowded were the Indians. They have the same squawk today. They're just like prices—increasing, too.

Let us skip to the golden year of 1900.

There were then 75,994,575 people — look what Columbus started! — 59,739,000 cattle, 16,544,000 milk cows, 48,105,000 sheep, 51,055,000 hogs, 20,995,000 horses and mules, and only 4,192 automobiles.

Think of it—only 4,192 squawking motor horns in the 2,977,128 square land miles that make up America!

But today, ah today! Look who's shoving whom!

There are an estimated 145,000,000 people competing for elbow room with 81,058,000 cattle, 26,100,000 milk cows, 38,571,000 sheep (non-human), 56,901,000 hogs, 10,024,000 horses and mules —and 34,373,002 (1946 census) automobiles, trucks and buses.

IF YOU ARE having trouble crossing the street, it is because all these vehicles traveled 340,655,000,000 miles in 1946—and more this year. Manhattan traffic cops are convinced all these 34,373,002 vehicles try to cross 42nd and Fifth avenue every afternoon at exactly 5:30 p. m.

Where can you go to get away from all this crowding? It's hard to say. Even women and children aren't being spared. In 1941 there were only 247 cases of triplet births and three of quadruplets. In 1944 the triplet cases jumped to 286 and the quadruplets to 8.

Civil service is no answer. There were 559,579 employes in 1929; in 1947—there were 1,849,781.

The center of population may provide a key. In 1790 it was 23 miles east of Baltimore, in 1940 two miles southeast by east of Carlisle, Ind. But next year it may be a mile west of Los Angeles or 10 paces north of expanding Houston, Tex.

THE DESERTS of New Mexico hold a solution—but it's merely temporary. It is the fourth least densely populated state—4.4 to the square mile—but its birth rate of 27.7 per thousand citizens is far and away the highest in America.

Perhaps the best answer is to get that place in the country. There were 30,546,911 people on farms in 1930, only 27,550,000 in 1947.

But you'll have to hurry. There were 6,812,350 farms in 1935. In 1945 there were only 5,859,169.

That is still 5,859,169 more farms than the average New Yorker wants to live on. He'd rather be crowded.

BIG ISLAND CLUB MEETS

The Big Island Faithful Farmers 4-H club met at the township house Friday. Paul Snare, president, directed the meeting and Douglas Tron, Earl Snare and Donald Johnson were appointed to a planning committee. Donald Johnson and Paul Snare discussed with the group a recent trip to Chicago, Ill. They showed pictures taken during the trip. The leader, Carl Selter, a guest Larry Mahaffey and seven members attended the meeting. The club will meet again June 11 at the Township house.

HOSTESS TO CIRCLE

Mrs. A. W. Newby was hostess to Circle No. 9 of Epworth Methodist church Thursday afternoon in her home on Forest Lawn boulevard. She presided, and made reports on several recent WSCS activities. A report was given of 27 calls made. Devotions were by Mrs. C. J. Bever on "The Lord's Prayer." A program "Problems of God's Daughters," was in charge of Mrs. Nellie Irey, who was assisted by Mrs. H. Malo, Mrs. Ada Geddis, Mrs. J. W. Atchinson, Mrs. W. Schweinfurth, and Mrs. J. D. Williamson. Mrs. Irey read "A Daughter's Psalm," and hymns were sung by the group. Several guests included Mrs. O. R. Peters, Mrs. Geddis, Mrs. W. A. Gruber, Mrs. Guy Rank and Mrs. J. F. Ohmansiek.

Plan Fountain Repair For Upper's Centenary

Special to The Star

UPPER SANDUSKY, June 2—Karl Constein of the Lions project committee has been investigating the possibility of repairing the drinking fountain at the court house in an effort to have water available there for the Homecoming and Centennial celebration in Upper Sandusky July 4 and 5.

Earl Shaffer will report the progress at the next meeting on a proposed project to obtain the vacant lot at the corner of Chief and Hicks streets for a westside playground. The Lions have become interested in the playgrounds project because of reports of children playing in the streets and routes of traffic.

Gun Collectors To Meet At Ashland Fairgrounds

The Richland County Gun Collectors Association will meet for a two-day session for trade and display of weapons at the Ashland county fairgrounds June 5 and 6. They will be host to the Ohio Gun Collectors and many similar organizations on those days. The public is invited to attend either day.

All types of weapons, ranging from the early matchlocks to modern arms of the day will be displayed. No admission will be charged and lunch will be served throughout the day.

FARM MASTER

SEARS ROEBUCK AND CO.

CORRUGATED ALUMINUM SHEETS Are Now Available!

Ideal Material for Permanent and Attractive Roofing and Siding

Yes, the answer to your roofing problems is here now—Farm Master Corrugated Aluminum Sheets! You can install rugged, long-lasting roofs and sidings quickly and easily; and when you're through, you have beauty—and a material that not only is RUST-PROOF, but that also develops a protective oxide which preserves your efforts through the years. It pays to use Farm-Master Aluminum; first, because SEARS methods of Straightline Distribution bring you Aluminum sheets for less; and second, because Aluminum requires no painting—no upkeep; the first low cost is the last!

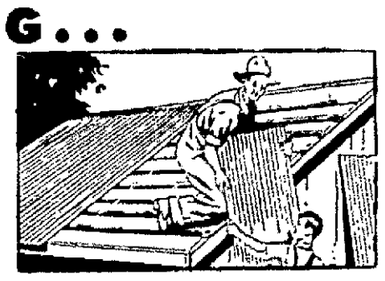
as low as $1.93 6-foot Sheets

.024-in. Thickness

8-ft. 2.55 10-ft. 3.20 12-ft. 3.86

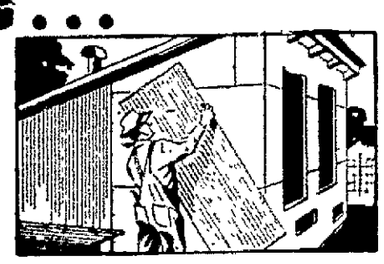
ROOFING...

Farm-Master Corrugated Aluminum sheets are about ⅓ the weight of equivalent gauge steel roofing. This provides a lighter roof load, also saves on manpower and installation time.



SIDING...

You get the same advantages in using Farm-Master Corrugated Aluminum sheets for siding. Practical for storage barns, outbuildings, residences, tool sheds, garages, summer cottages, trailers.



- Aluminum Will Not Rust, Rot, or Burn
- Economical—No Painting—No Upkeep
- Tough, Protective—But Light, Easy to Handle
- Vermin-Resistant—Valuable for Farm Buildings
- Good Looking—Eye-Inviting Appearance

USE SEARS EASY PAYMENT PLAN FOR PURCHASES OF $10.00 OR MORE

Above price applies to both 2½ in. Corrugated and 5-V Crimp Aluminum Roofing.

Social Affairs

MEMBERS of Club 75 will close their season with a "hard time" dance Saturday evening in Columbian hall Mr. and Mrs Harold McNew are chairmen of the host and hostess committee and assisting in planning for the dance are Mr. and Mrs. Fred Warner, Mr and Mrs. Leonard Wilson, Mr. and Mrs. William Murphy, Mr. and Mrs. John Guthrie and Mr. and Mrs William Collins. Glen Johnson and his orchestra will play the dance program.

MISS ANN McGINNIS who will be graduated from St Mary Parochial High school Sunday afternoon, entertained members of the senior and junior classes Sunday evening at her home at 767 East Center street. Entertainment included music and dancing and the showing of motion pictures of school activities for the last year, including the recent junior-senior prom and the freshman-senior tea. Guests included Very Rev. William J. Spickerman, V F., pastor, and Rev. Elmer Boyden, assistant pastor of St. Mary church.

Mr and Mrs. Roscoe Oborn of 325 South Prospect street entertained with a party early Saturday morning at their home for the pleasure of their grandson, Jack Martino of Lima, a member of the graduating class of Lima Central High school this year The party attended by a group of 16 students from the Lima school, followed the Lima Junior-Senior prom held at the Paramount ballroom in Lima

The house was decorated with bouquets of spring flowers and the high school colors of red and green and the senior class colors of violet and gold were carried out Refreshments were served by Mrs Oborn, assisted by her daughter, Mrs. L E Martino

Following the party, the group visited the Harding Memorial, after which they left for Lima where a breakfast was to be held at the home of one of the group, Jane Davisson.

Guests present were Janet Bickman, Barney Laufer, Jon Talmage, Adele Wise, Fred Miller, Pauline Fillips, Dick Jackson, Marion Sondheimer, Tom McGue, Pat Boop, Harold Craig, Gloria Smith, Dick Graesser, Barbara Hesner, Jane Davisson and Jack Martino.

A delegate and alternate to the sorority national convention in July were named when members of Zeta Theta chapter, Alpha Iota sorority, met for a wiener roast and meeting Wednesday evening, May 26, at the home of Miss Maxine Dune on Mt. Vernon avenue.

Miss Martha Fabian, president, was named delegate, and Miss Dune, alternate. The convention is to be held in New York City July 8-11 Other members of the chapter planning to attend are Miss Elizabeth Haberman and Miss Joan Evans.

A report was made on a recent rummage sale, and plans were discussed for another one to be held the middle of June Miss Josephine Manzo, social chairman, announced that plans are being completed for an "everybody's birthday party" to be held June 23 at Ringer's Inn

Members of Ye Pastyme club met for luncheon recently at Ringer's Inn. Contests, in charge of Mrs. Robert Weston, were won by Mrs Charles Jones and Mrs. Raymond Dreyer. Mrs Jones also received a guessing box award.

Miss Jessie McAfee and Mrs Byron Clabaugh entertained with a personal shower Thursday evening at the home of the former on Forest street, for the pleasure of Miss Josephine Ettore, a bride-elect of this month The honor guest found her gifts on a table decorated in green and white. Suspended over the table was a green and white sprinkling can and favors were miniature sprinkling cans. Awards in crazy bridge were won by Miss Ettore, Mrs. Joy Showalter and Mrs. Wayne Martin. Present with Miss Ettore who is the fiancee of Marion G. Hostetter were Mrs Sam Urso, Miss Rosie Urso, Mrs Joseph Caplin, Mrs Martin, Mrs Showalter, Miss Martha Whitmore, Miss Mary Prior and Miss Margaret McAfee.

Officers of the Child Culture league, headed by Mrs. Veman Felt, were installed at a meeting in the home of Mrs. Willis Dixon on Oak street Thursday evening. Mrs. John Artopoeus, a past president of the Marion federation of the Child Conservation league, was the installing officer. A program consisted of discussion of questions from the question box. Guests besides Mrs Artopoeus included Mrs. LeRoy Chiles, Mrs William Miller and Mrs Cleal Falke A special prize was won by Mrs Howard Dowler.

Mr. and Mrs B G Northrop of St. Marys, W. Va., have returned home after a visit in the home of Mr. and Mrs Harley Lowry of 374 Avondale avenue.

* * *

Mrs Nan M. Cook has returned to her home in Los Angeles, Calif., after visiting her mother, Mrs. Stella A. Cunningham of 355 South Main street.

The population of Yemen is around four-million, ruled spiritually and temporally by its Imam.

MRS. CHARLES R. LAUER

Kirk and Lauer Vows Given In Prospect Church

ST. PAUL'S Lutheran church at Prospect was the scene of the wedding of Miss Marjorie Kirk, daughter of Mr. and Mrs. John Kirk of Prospect and Charles R. Lauer of Prospect, at 8 o'clock Saturday morning. The pastor, Rev. Paul E. Dobberstein, read the single ring service. The bridegroom is the son of Samuel P. Lauer of Prospect. Attending the couple were Mr. and Mrs. Ernest Stiffler of Prospect, brother-in-law and sister of the bride.

For the ceremony Miss Kirk chose a street costume in a light blue shade, accented with a draped back and her flowers were pink carnations in a corsage. She wore the bridegroom's gift, a double strand of pearls. Mrs. Stiffler was costumed in blue with harmonizing accessories.

Following the ceremony the couple left on a wedding trip through the east. Upon their return they will make their home in Prospect.

The bride was graduated from the Prospect High school in 1946 and has been employed as a secretary in the office of Virgil Anderson, superintendent of the Prospect schools. The bridegroom was graduated from the Prospect High school in 1944 and in World War II served 22 months in the Pacific theater. He is employed at the postoffice at Prospect.

Married at Medina By Ex-Galion Pastor

Special to The Star

GALION, June 2—Memorial Sunday was chosen by May Baker, daughter of Mrs. Charles Baker and the late Mr. Baker for her marriage to Burnell E. Shumaker, son of Mr. and Mrs. Robert Shumaker. The couple went to Medina where they were married at the Lutheran parsonage. Rev. Henry Young, who officiated, was pastor of the bride's church Trinity Lutheran of Galion until recently. Mr. and Mrs. Thomas Holmes, brother-in-law and sister of the bridegroom were the only attendants. When the couple returned to Galion, there was a reception at the home of the bride's mother. After a wedding trip in the east Mr. Shumaker and his bride will reside with the parents east of Galion. The former Miss Baker has been an office employe of the Galion Iron Works and Manufacturing company Both she and her husband attended Galion High school. Now engaged in farming. Mr. Shumaker saw service with the Army during the war.

Weddings

Announcement is being made of the marriage of Miss Barbara M. Culp of 396 West Center street and Harold W. McClaren of 333½ West Center street. The wedding ceremony was read Monday in First Methodist church at Russell, Ky., by Rev. Russell A. Lenox.

For her wedding, the bride was dressed in navy blue, with which she combined white accessories, and her corsage was of red rosebuds.

The bridegroom is employed at the Johnson Bros. grocery store on Davids street. He is a veteran of four years of service with the U. S. airforce, with two years overseas in England and Switzerland. He and his bride will make their home at present at 396 West Center street.

Announcement is being made of the marriage of Miss Joan Mossbarger, daughter of Mr. and Mrs. Fred Mossbarger of 616 Pearl street, to Paul Hammon, son of Mr. and Mrs. Millard Hammon of 796 East Center street.

The double ring ceremony was read Sunday, May 9, at 2:30 o'clock in the afternoon by Rev. J. B. Holloway, pastor of Trinity Baptist church, at the parsonage on South Vine street. Only the immediate families attended.

The couple are making their home for the present at 342 Silver street.

CRESTLINE—Before a large gathering of relatives and friends in St. Joseph's Catholic church Saturday morning Miss Maxine Rish, daughter of Mr. and Mrs. C. Rish became the bride of Robert Frye, son of Mr. and Mrs. P. C. Frye. Music was presented by the church choir, the organist, and by Louis Celmi, soloist. The bride's father gave her in marriage.

Mrs. George Pinyerd was the matron of honor. Peter Frye Jr. was his brother's best man, and the ushers were David and James Stump. A wedding breakfast was served near Crestline at Greenlawn. Rev. Fr. Morris Hermann of Tiffin was a guest. An afternoon reception was attended by 60 guests, and a four-tier wedding cake was cut. Guests were present from a number of points, including Marion, Galion, Kenton, Bucyrus, Cleveland and Forest.

The honeymoon is being spent by the Fryes at Houghton Lake, Mich. Both are graduates of Crestline High school. Mr. Frye, in the Army three years, attended Ohio State university. He works for the Kozak Distributing company, Crestline.

The women will play on Tuesday, June 8, in order to relinquish the course to the men members who will be hosts to Lima golfers on the regular date.

DEMOCRATS' SINGER. Letting go with a trilling note, Miss Phyllis Hoylanc, 18-year-old soprano and daughter of Mrs. Frances Burns Hoyland, secretary to Rep George H Fallon of Maryland, practices to sing "Star Spangled Banner" at the Democratic National convention in Philadelphia She is grand prize winner of Chamber Music Guild's national auditions.

Former Bucyrus Girl Wed in Lima Church

Special to The Star

BUCYRUS, June 2 — Nuptials solemnized last Friday evening in the High Street United Brethren church at Lima united a former Bucyrus young woman, Miss Geraldine Mae McMichael, daughter of Mr. and Mrs Harold G McMichael, North Robinson road, and Frank J Bowers, son of Mr and Mrs. L. Wesley Bowers of Lima.

The Rev. W. S Gunther of Wilshire, a former pastor of the bride's church at North Robinson, was assisted by the Rev. J. L Dutton of Lima. The bride's two sisters, Carol and Janet McMichael, were the only attendants The bride was given in marriage by her father

The bridegroom's brother, Paul Bower, was heard in three vocal solo selections with Mrs. Paul Bower at the organ. Fifty guests were received at the Bower home after the exchange of vows The couple will reside at Allentown. The bride was graduated from North Robinson High school in 1942 and for three years held a position as secretary at the North Robinson school. She attended Wooster Business scool. Mr Bower, a graduate of Elida High school is magnetic crane operator at the Lima Hamilton Locomotive company.

NORWAY DRIVERS' LICENSE GOOD HERE

Pretty Oslo Motorist Gets OK To Drive in Ohio.

Police Chief William E Marks began to wonder this morning whether his job is to read Marion's Finest" or be a one man "Information Please"

A pretty young matron came into headquarters this morning with a problem She said her name was Madame Bendemoe and her home was Oslo, Norway She and her husband, who is a Norwegian purchasing agent, are traveling to the west coast and producing a drivers' license from Norway she wished to know how she could obtain an Ohio license

Further questioning revealed her Norwegian license was up to date and in good order she was a member of the Royal Auto club of Norway, and a qualified European motorist. She spoke English fluently.

Investigation by Chief Marks and calls to the highway patrol and Marion Auto club disclosed that her worries about driving here were groundless

It seems if the driving license authority of Norway examines a driver and finds her qualified, that is good enough for the Ohio department of highways, the highway patrol, and the Marion police department The same courtesy is extended a licensed driver from Ohio when they visit Norway, and most every other country west of the "iron curtain" Chief Marks reports.

Mr. and Mrs. Bendemoe overnight guests at Hotel Harding and seeing police headquarters close by Madame Bendemoe brought her problem to Chief Marks

Galionites Voting On New School

Special to The Star

GALION, June 2—A vote being conducted from 1 to 7 today at the North school building for residents and property owners in the North school district on their preference of site for the new elementary school of that district. All persons of voting age who are residents of the district, and any other citizens who own property in the district were entitled to vote.

The district is bounded on the east by the New York Central railroad, on the west by the city limits, on the south to Harding Way East and West, and on the north city limits.

FORTY WIN IN STORE CONTEST

Results Announced by C. of C. in Misplaced Merchandise Event.

Miss Daisy Maze of near Marion, won the "misplaced merchandise" contest sponsored last Thursday night by 40 Marion merchants; contest judges reported today.

She spotted 46 out of 50 items correctly to win out over Miss Doris Caldwell of 799 Cheney avenue and Altie Parr of near Marion who were tied at 45. Miss Caldwell was given second place as she turned in her list first.

There were 255 persons competing for the 20 $5 gift certificates offered by the merchants as prizes. Winners were mailed their prizes today.

Contest judges reported that the blanks most nearly correct were among the last to be filed. The winner was the two-hundred forty-sixth person to turn in an entry blank at the Chamber of Commerce office.

Contest judges were members of the Marion chapter of the National Secretaries Association and included Misses Marilyn Apt, Elizabeth Ballenger, Arlue Detrick, Martha Fabien, Peg Muntsinger and Maxine Unland. Other winners were:

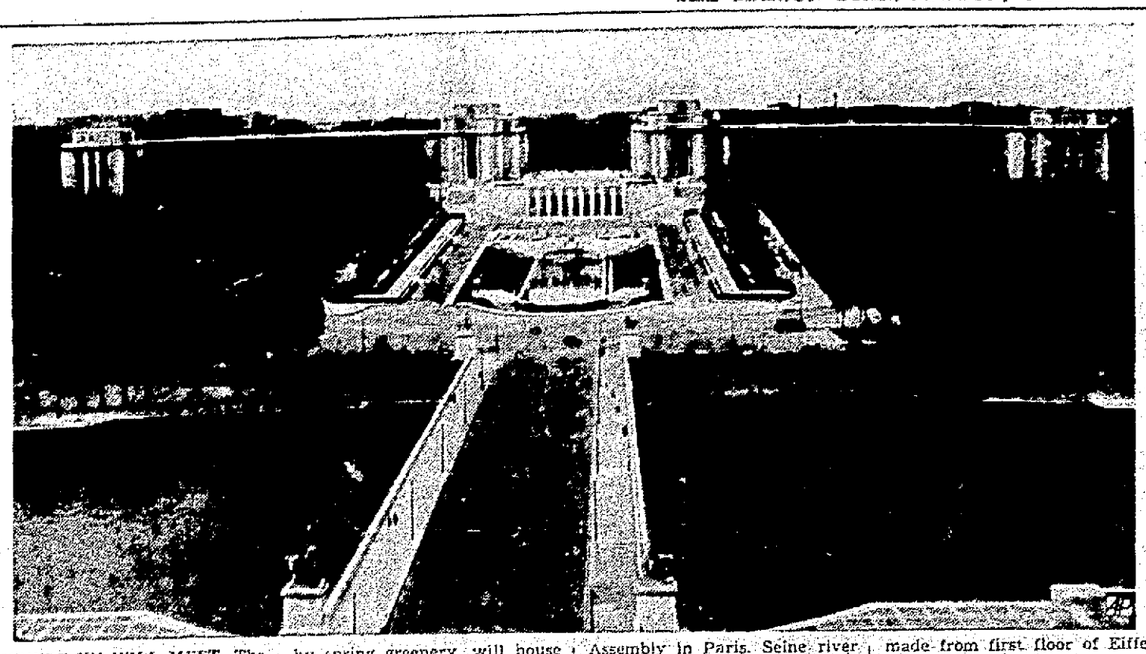
Elmer F. Maze of near Marion, Mrs. Ermin Walter of 426 Girard avenue; Dorothy Rinehart of 262 East George street; Bob Moore of 203 North State street; M. L. Wolfe of 365 Olney avenue, Gene Rieser of 645 Indiana avenue; Virginia Wetterauer of 242 North State street; L. Eldon Jones of 818 Merkle avenue; Elaine Smith of 267 Clover avenue; Hugh Wilson of 114 North State street; B. J. Kendrick of 598 South Prospect street; Nellie Orians of 152½ North State street; John Bowman of 265 Bellevue avenue; Becky Lee Scheifler of 157 North Grand avenue; Joe Donithen of 640 Mt. Vernon avenue, Betty Dawn of 639 Lee street;

Marilyn Mayfield of 571 Blake avenue; Donna Clark of 630 Cherry street; John C. Keggan of 482 Courtland Terrace; Bob Fruit of Milner Hotel; Charlotte Stewart of 363 Hane avenue; Mary Russell of 182 Jefferson street; Garnet Russell of 182 Jefferson street; Mary Lou Porter of 179 Davids street; Oliver S. Varner of 234 Tully street; Ruthe Rieser of 645 Indiana avenue; J. C. Gandert of Caledonia, O.; Martha Porter of 179 Davids street; Margaret Rose of 565 Blake avenue; Mrs. Annabelle Gandert of Caledonia, O.; Patricia Jacobs of 562 Blaine avenue; Mrs. Eugene France of 339 South Grand avenue; Mrs. Ray Daniels of 536 Lee street; Geneva McClone of 222 Oak street; J. F. Sappington of 245 North State street; Merian Blinn of 131 Waterloo street; Angel Krigbaum of 706 Mt. Vernon avenue.

WOMAN, 93, RECOVERING

CRESTLINE—Though she is 93 years old, Mrs. William White who fell at her home two weeks ago, fracturing her arm, is reported to be making unusual progress in mending. Mrs. White is able to be up and about her home.

No foreigner is permitted to enter San'a, capital of Yemen, without the permission of its ruler. There are no diplomats of other lands currently in the country.



WHERE UN WILL MEET. The Palais de Chaillot, surrounded by spring greenery, will house the next United Nation General Assembly in Paris. Seine river is in foreground. Picture was made from first floor of Eiffel Tower.

'VOICE OF AMERICA' WITNESSES

LEADOFF WITNESSES in the House executive expenditures committee investigation of "Voice of America," whose broadcasts stated "New England was founded by hypocrisy and Texas by sin," sit with their papers in the hearing room: George V. Allen (left), assistant secretary of state for public affairs, and Charles Thayer, acting chief of State department broadcasting division. *(International)*

SEES A COAL STRIKE AS "NAT'L. TRAGEDY"

By The Associated Press

WASHINGTON, June 2—Federal Judge T. Alan Goldsborough told John L. Lewis' attorney today it will be a "national tragedy" if there is a coal strike next month.

Goldsborough tossed out this remark as Welly K. Hopkins and government attorneys argued over the government's request for a court order requiring Lewis to bargain with the Southern Coal Producers association on a new soft coal mining contract.

The balding judge rocked in his chair in U. S. district court and remarked conversationally:

"Now I'm aware that you can carry a horse to water but you can't make him drink."

"But, if people sit down around a table and fuss in good faith, something usually comes out of it."

Lewis contends the Southern Coal Producers Association (SCPA) is a "propaganda" organization, formed to fight his United Mine Workers. He gives that as one reason for refusing to talk contract with it.

Government lawyers told Judge Goldsborough today that John L. Lewis' refusal to bargain with the Southern Coal Producers association was unjustified.

They asked a court order requiring the United Mine Workers chief to negotiate with the association.

28 Entries Made In Erie Essay Contest

H. E. Webster, secretary of the Marion Chamber of Commerce today reported 28 entries have been filed in the essay contest sponsored by the Erie Railroad Co. in cooperation with the Chamber.

Seventeen girls and 11 boys from the city, county and St. Mary parochial high schools are entered in the contest. Two students, a boy and a girl, judged the winners, will be given a three-day weekend in New York City with all expenses paid, as guests of the Erie Railroad company and the Chamber of Commerce.

The essays, titled "Men of Erie," are based on articles giving the history of the Erie railroad, appearing in The Marion Star recently.

Judges are D. A. Howard, president and general manager of the Huber Manufacturing Co., and Bernard C. Moloney and Charlton Myers, Marion attorneys.

Winners will be announced on June 17. The holiday week-end has been scheduled to begin July 10.

REACH AGREEMENT ON WEST GERMANY

By The Associated Press

WASHINGTON, June 2—The United States and the leading countries of western Europe today announced provisional agreement on plans for the future development of western Germany. It reportedly includes full German participation in the European recovery program.

The state department made a brief joint announcement and expressed hope that the agreements will be formally approved "at an early date" by all the governments involved.

In addition to the U.S., the nations which worked out the agreements in six weeks of negotiations at London are Britain, France, Belgium, the Netherlands and Luxembourg.

The state department said the agreements "seem to offer the prospect of constructive achievement in solving the problems facing us in Germany."

Provisions of the agreement are being held secret until they are formally sent from the London meeting to the six governments.

In the Service

Midshipmen William H. Trafzer, son of Mr. and Mrs. Charles Trafzer of 489 McKinley street, and Charles E. Axthelm, son of Mr. and Mrs. Walter E. Axthelm of 288 Elm street, will receive practical instruction on active duty aboard the aircraft carrier USS Princeton during the months of June, July and August. Fleet Headquarters, Great Lakes, Ill., announced. The midshipmen are in their second year of naval reserve officers training at Ohio State university.

7 NAZIS DIE ON GALLOWS

Pay Debt for War Crimes with Hangman's Noose; Four Doctors in Group.

By The Associated Press

LANDSBERG, GERMANY, June 2—Seven German doctors and SS (elite guard) officers died on American gallows today for war crimes.

They were convicted of killing and maiming thousands in brutal medical experiments in Nazi concentration camps. Their victims were inmates of the camps.

They were the first to be hanged of 25 Germans sentenced to death by U. S. war crimes courts at Nuernberg.

Several died protesting their innocence and complaining against the American system of justice which convicted them.

All walked firmly to death on two black gallows in the courtyard of the prison where Adolf Hitler wrote "Mein Kampf" while confined there after his Munich putsch 25 years ago.

The executions went off without a hitch. The last man dropped to his doom just 62 minutes after the first stepped on the trap.

For Perverting Science

Four of those hanged were doctors. The court—headed by Judge Walter Beals of the Washington state supreme court—which convicted them said they had perverted their science into a murderous practice on helpless living persons. The other three executed men were SS officers convicted of directing the Nazi "research program."

The experiments described in court included high altitude experiments in which human guinea pigs were crushed and strangled. There also were malaria, mustard gas and Sterilization tests which killed many—most of them dying in agony.

Gen. Karl Brandt, 43, the top medical officer of the Nazi state, was the first to die. He once boasted:

"There is one German the Americans will never hang."

Brandt once was Hitler's personal physician. Another of der Fuehrer's personal doctors Dr. Theodore Morrell, died last week—of natural causes.

"It Is No Shame'

Brandt made a final speech so long that after he ignored admonitions to cut it short the black hood was thrown over his face in midsentence.

"It is no shame to stand on this scaffold," he cried. "I served my fatherland as others before me."

He scorned religious solace, as did the others.

Five other defendants convicted at the trial, which ended last August, were sentenced to life imprisonment. Four received lesser prison terms. Seven of the 23 original defendants were acquitted.

Most of My Customers Pay Me Every Saturday

But if you don't pay me, I have to pay for your paper, and I lose the profit on several papers that I have delivered to pay for your copy.

I am the sole judge of whom to extend credit to.

I am a little business man operating my own business. I buy my papers at wholesale, paying for them each week, and sell them at retail, to you, the difference is my profit and working capital.

I collect each Saturday morning, so if you will pay me at that time, not make me call back and back, you will keep me from becoming discouraged in my first business enterprise.

Thanks

DEATHS and FUNERALS

Mrs. Ida V. Duerr

Mrs. Iva V. Duerr, 67, wife of William D. Duerr of 269 Waterloo street, died in City hospital at 7 a. m. today. She had been ill a week.

Born Aug. 1, 1881, she was a daughter of Mr. and Mrs. John Miley. She was a member of Emanuel Lutheran church.

Surviving with her husband are a daughter, Miss Verna Gatton, and sisters and a brother, Mrs. Fred Haskell of 601 North Prospect street, Mrs. Earl Stiffler of Prospect, Mrs. Jay Stiffler of near Prospect, Samuel Miley of Richwood and Miss Bertha Miley of Prospect.

Funeral services will be conducted Friday at 1:30 p. m. in Emanuel church by Rev. M. E. Hollensen. The body will be removed from the Schaffner-Denzer funeral home on East Center street to the Duerr home where friends may call after 7:30 tonight and until 10 a. m. Friday. Burial will be in the Prospect cemetery.

Mrs. Ida McColley

Mrs. Ida McColley, 81, wife of H. T. McColley of 192 East Farming street, died in City hospital about noon today, after a long illness. She had been critically ill three weeks.

Born Jan. 30, 1867, she was a daughter of Lemuel and Amanda Fuller of Vinton county. April 16, 1889, she married U. S. Wyckoff at Logan, O. He died in June, 1899. May 8, 1902, she married Mr. McColley in Marion. She was a member of the Rebekah, D. of A., and Pocahontas lodges.

Surviving with her husband are children by her first marriage, Mrs. L. Kimple of Cleveland and Mrs. Edwin Dee of Bellefontaine. A son, O. C. Wyckoff, preceded her in death.

The body was taken to the Schaffner-Denzer funeral home on East Center street.

William J. Burley

William J. Burley, 80, native of New Bloomington, died May 20 in St. Louis, Mo., where he made his home. Relatives from this area who attended funeral services, returned Tuesday.

Born July 26, 1867, Mr. Burley moved with his family to Missouri at an early age.

Surviving are a daughter, Miss Inez Burley, a daughter-in-law, Mrs. Gertrude Burley of St. Louis, two sisters, Mrs. Susan Paulson and Mrs. Erdine Hickman, and a brother, John Burley, all of Marion, and nieces and nephews.

Attending the funeral were Mrs. Hickman and Mr. and Mrs. John Burley from Marion, Mrs. Edgar E. Spangler of Meeker, Mr. and Mrs. F. D. Hickman of Bellevue and Mr. and Mrs. Vern Hickman of near Galion.

Mrs. Lydia A. Britsch

Mrs. Lydia Augenstein Britsch, 75, died at 8 p. m. Tuesday in City hospital. She had been a resident of the Moaks rest home near Marion two years.

Born March 15, 1873, in Waldo township, she was a daughter of Mr. and Mrs. John Augenstein. Her marriage was to Mandius Britsch who died in 1946. She was a member of the Waldo Methodist church.

There are no known close survivors.

Funeral services will be conducted Friday at 1 p. m. in the Merle H. Hughes mortuary on Mt. Vernon avenue by Rev. J. A. Currier of Delaware. Burial will be in Marion cemetery. Friends may call at the funeral home after 2 p. m. Thursday.

Milford Guy James

BUCYRUS—Milford Guy James, 67, formerly of Bucyrus, died at 12:30 a. m. Wednesday in his home at Tiro. He had been in ill health some time and suffered a heart attack. Born April 27, 1881, in Putnam county, he was a son of Milford and Jane Currence James. March 8, 1906, he married Mary E. Andrews.

A resident of Bucyrus 25 years, he moved to Tiro three years ago. He was a retired machinist, having been an employe of the Ohio Locomotive Crane Co. here 30 years.

Surviving are his widow and children, Rev. Walter E. James of Los Angeles, Calif., Mrs. Carl Baker of Tiro, Mrs. Emmett Snyder of Hollywood, Calif., Mrs. Robert Martin of Camp Hill, Pa., and Mrs. Wilbur Arnold of Tacoma, Wash., a stepson, Dane Andrews of Hartford, Conn., brothers, J. K. James of Mt. Vernon, and Neil James of Mt. Gilead, and a sister, Mrs. Alta Bigler of Marion.

Funeral will be Saturday at 2 p. m. in the Wise funeral home here. Burial will be in Bryn Zion cemetery east of Mt. Gilead. Friends may call at the funeral home from 7 p. m. until 9 Friday.

Mrs. Edna Osborn

MT. GILEAD — Mrs. Edna Merle Osborn, 61, died at 4:15 p. m. Tuesday in her home here. She had been ill for some time. Born Dec. 12, 1888, in Westfield, Morrow county, she was a daughter of Oliver and Eva Vining Aldrich. A resident of Mt. Gilead nine years, she had lived formerly at Ashley. She was a member of the Pleasant Grove church northeast of Mt. Gilead. Only survivor is her daughter Miss Dorothy Osborn, at home. Funeral services will be conducted Friday at 2:30 p. m. in the Craven funeral home by Rev. W. R. Ellis of Canton and Rev. David DeBoer. Burial will be in Ashley Union cemetery.

—Funeral Services—

James Jenkins—Thursday 10 a. m., Schaffner-Denzer funeral home, Rev. E. H. Wierth, burial Marion cemetery. Friends may call at the funeral home.

33 DIE IN MINE BLAST

BERLIN, June 2—Thirty-three workers were killed and another 150 injured by a coal dust explosion yesterday in the Soviet zone city of Halle, Russian-licensed newspapers reported today.

HUMAN CHAIN HOLDS RAGING RIVER. A human chain works feverishly to repair a break in the levee (left) along the Columbia river at Filoma, Ore., on the outskirts of Portland. The band of volunteers reinforced the levee to keep it above flood level. (Associated Press Wirephoto)

PASTORS

(Continued from Page 1)

B. Dean, Marsellles; Rev. R. E. Miller, Mt. Victory, and Rev. C. F. Fogle, Upper Sandusky.

Other Changes

Newly assigned in this area are: Rev. L. C. Moorehead Ada; Rev. Thomas B. Smith, Belle Center; Rev. R. J. Turrell, First church at Kenton; Rev. A. E. Oliver, Ridgeway, and Rev. F. W. Smith, West Mansfield.

Dr. Ross Wilhide, who has been serving as pastor of First church at Kenton several years, was moved to the High Street church at Springfield. Rev. G. C. Nutter, formerly at Belle Center and at one time pastor of the New Bloomington-Meeker charge, was stationed at Pleasantville in the Chillicothe district. Rev. E. I. Obee, at one time pastor of the Moral-Asbury charge, retired, was assigned to the Allentown charge, Lima district as supply pastor. Rev. Claude Dayton, formerly of Marion, was moved from Crooksville in the Zanesville district to Metamora in the Defiance district. Rev. H. A. Bright Jr. went from West Mansfield to Granville in the Zanesville district.

... assurance of Navy wartime communication and electronic equipment is available for the Marion unit for use in training and participation in the Ninth Naval District Reserve Radio Network, Naval officers said.

Lt. (jg) R. C. Roate, USNR, representing Ninth Naval district headquarters, will be at the meeting to present the details of the program and will answer any individual problems for local Naval Reservists.

Galion Subway Plan Up for Consideration

Special to The Star.

GALION, June 2—City council Tuesday night was called upon for some action for a subway in the city at the New York Central crossing to aid factory and businessmen often hampered by trains blocking the crossing. The initiative for the action was taken by Carl J. Gugler, who addressed the council.

He said that legislation was all set for this during the administration of former Mayor W. M. King, but was turned down because Church street residents did not favor having state and national highways routed over the street. Mr. Gugler's suggestion brought a request from council president Otto Pfeifer for service-safety director John F. Porter to prepare a report on proceedings and plan for a subway for the next meeting of council.

HEAD LIONS IN UPPER

UPPER SANDUSKY—The four members of the board of directors of the Lions club here will be Donavin Jennings, Karl Constein, Lowry Drake and Harold Tenwalde. Robert Troup and S. J. Napoli will serve as the auditing committee.

Dr. George Blasdel did the job, and fitted Ethel with goggles to protect her eyes and assure proper vision.

French Bride Married To Bucyrus Attorney

Special to The Star.

BUCYRUS, June 2—In a simple ceremony solemnized last Saturday in First Presbyterian manse Mlle. Jacqueline de Sommyevre, daughter of Baron and Baroness Jacques de Sommyevra of Paris was united in marriage with William C. Beer Jr., Bucyrus attorney.

The Rev. C. D. Loehr, pastor of the church performed the single ring service. Close relatives of the bridegroom witnessed the exchange of vows. The couple will live in Bucyrus.

It requires 32 gallons of maple tree sap to yield one gallon of maple syrup or eight pounds of sugar.

Your Good Health

By DR. HERMAN N. BUNDESEN

Stomach Ulcer Remedies Tried Before Operation

Doctors know that the best rule in the treatment of stomach ulcers is to try the simple remedies first, reserving the more drastic procedures, such as operation on the stomach or nerve-cutting, for cases where healing cannot be obtained by any other means. Some patients seem to get well with complete rest in bed, the use of a bland, non-irritating diet, and alkaline preparations to lessen the acid in the stomach. Unfortunately, there is a tendency for the ulcers to recur, and then, too, many patients are not relieved by medical treatment. Hence, in these cases, surgery is often employed.

Removal of a large portion of the stomach is one form of operation that has been utilized. In recent times, another operation called vagotomy has been used in the treatment of ulcer patients. This operation consists in cutting the vagus nerve which runs to the stomach.

Many physicians believe that, in ulcers of the stomach, the only operation which should be employed is removal of a portion of the stomach, especially in patients over 35 years of age. This operation appears to be entirely satisfactory and brings complete relief from the symptoms.

Just how the operation on the vagus nerve brings relief has not been definitely determined. However, enough operations have been performed to show that it is quite beneficial. Failure of a cure may be due to the fact that not all of the nerve fibers have been cut. It has been suggested that, before the vagotomy operation is carried out, all known means of treatment be tried. Then, if such measures do not bring a cure, the stomach removal operation is performed. The vagotomy operation is saved as a last resort.

Other physicians think that the vagotomy operation should be employed in those cases in which other operations may involve long hospitalization, particularly in patients who are only in fair or poor condition.

Vagotomy is also used in ulcers of the duodenum which are penetrating into the pancreas or are involving the ducts coming from the gallbladder.

Every patient with ulcers needs thorough study to determine just what measures will be most effective. The warning signs which should send him to the doctor are attacks of pain coming on from one to three hours after meals, sometimes accompanied by sickness at the stomach and vomiting.

Questions and Answers

J. M.: What would cause a swelling in the front of my legs just below the knee?

Answer: Such a swelling might be due to arthritis or inflammation of the knee joints, to a local disturbance of the circulation, or to some general difficulty with the circulation. A thorough study by your physician is advisable.

3 Traffic Accidents Reported by Police

Three traffic accidents and one traffic arrest were reported by city police for the past 24 hours.

A car driven by Mrs. Marjorie Cole of 146 Kensington place was slightly damaged when it struck a mailbox at the corner of North Main street and Fairview avenue. Police report Mrs. Cole was apparently trying to pass a truck driven by Ralph Pearl Wood, 46, of 334 North Greenwood street when Wood started to turn his truck at the intersection. In getting out of his way to avoid a collision Mrs. Cole drove over the curb striking a mailbox. Postmaster Homer Cole was a passenger in the car driven by his wife when the accident occurred at 7:45 a. m. Tuesday.

At 4:55 p. m. yesterday a car owned by Chivington Motors being towed by another car driven by William B. Swartz, 21, of North Grand avenue struck a parked car owned by D. Wade of Detroit when the tow bar buckled in front of the county jail on North State street. Wade's car was damaged slightly by the collision.

Cars driven by Calvin F. Carr, 60, of Bellefontaine and Robert E. McKeever, 31, of 1071 East Church street were considerably damaged when McKeever's car was struck from the rear by a car driven by Tug Wilson Smith, 65, of Tipton, Ind., shoving the McKeever car into the rear of the Carr vehicle at the intersection of Greenwood and East Center streets at 12:45 p. m. yesterday.

Chester William Sebenoler, 37, of Upper Sandusky was arrested by police at 3:51 p. m. yesterday on North Main street on a charge of speeding. He posted a $25 bond for his appearance in municipal court today.

Granges To Observe Event in Essex Church

RICHWOOD, June 2 — All granges of Union county will observe Rural Life Sunday. There will be an all-day meeting at the Essex Methodist church. Table service and a basket dinner are requested of each family attending. A guest speaker has been scheduled to appear, and each grange will present one selection of entertainment.

All are invited to attend the morning service of the church worship beginning at 10 o'clock, and church school at 11, it was announced today by Clyde Parish, chaplain of Pomona grange. Rev. John Elwood in the afternoon will speak on "Souls and Soils." A varied program will be presented.

New Car Deliveries Drop to 10 in Week

New car sales in Marion county dropped to 10 during the week ending May 31, according to records in the office of Calvin Oborn, clerk of courts. F'gure for the previous week was 30. New trucks sold during the week totaled five as against seven the week previous.

PARK IN CRESTLINE OPENS

CRESTLINE, June 2 — Kelly park is open for the summer this week. Mrs. John Zwehlan will be in charge of the pool, which has been cleaned and repaired. She will be assisted by Mrs. Harold Kramer and Mrs. Edward Flaherty.

POLIO VICTIM WINS

By The Associated Press

CHICAGO, June 2—Charlotte Erdman, 16, who was stricken with infantile paralysis five years ago and not expected to live, is sporting a monogram sweater today. Charlotte won it at Morton High school for her prowess at tumbling.

ROBESON WON'T SAY. "I refuse to 'answer," Singer Paul Robeson tells the senate judiciary committee when asked whether he is a Communist or not. "Today that question . . . is an invasion of my right of secret ballot." Ten Hollywood writers and directors were cited for contempt for refusing to reply to the same question, and two are under sentence.

New Bloomington Alumni Meet at Gymnasium

Ellsworth Drake was elected president at the twenty-ninth annual meeting of the New Bloomington High school Alumni association held recently in the school gymnasium. Miss Geneva Imbody was elected vice president. Miss Jeanette Behner, secretary and Miss Evelyn Porter, treasurer.

The 1948 graduates were welcomed by Kenneth Kinsler, president, and the response was by Miss Jeanette Behner, president of the class. Neil Chapman and William LaRue of Chicago, were members attending from the greatest distance and the class of 1945 had the largest attendance. Mrs. Vernon Imbody had a perfect attednance record having attended each of the 29 meetings. Honors for having the largest families present went to the Chapman and Earl Drake families.

The following committees were appoin[illegible]; Mrs. Daniel Schmidt, Mrs. Marie Rothfuss and Mrs. Dorothy Smith, refreshments; Mrs. Jane Schmidt, Mrs. May Kannel and Clair Dutton, decorations; Kenneth Kinsler, Mrs. Gertrude Everett and Robert Corbin, program; Mr. and Mrs. Milford Schmidt, Mr. and Mrs. John Moore, Mr. and Mrs. Hershel Hecker and Mr. and Mrs. Ervin Dutton, reception. The time after dinner was spent dancing. Music was furnished by the Rhythm Ramblers.

ALUMNI BANQUET HELD AT RICHWOOD

Lt. Col. McElhaney Speaks; Marion Men Present.

Special to The Star

RICHWOOD, June 2—Lt. Col. Daniel McElhaney of West Point, a graduate of Richwood High school, who is the son of Mr. and Mrs. John McElhaney of LaRue, was the principal speaker for the thirty-second annual banquet of the Richwood High school alumni association in Richwood High school last Friday.

There were about 300 persons served by members of the junior class of the Richwood school. Guests were present from Marion, from Detroit, Carlsbad, Calif., Oberlin, Mo., Chicago, Mt. Gilead, West Mansfield, Morral, LaRue, Richwood, Prospect, Mt. Victory, Marysville, Lima, Steubenville, Oak Harbor, Toledo, Cleveland, Dayton and Columbus.

Wilton McElroy, 1948 class president, responded to the welcome extended by Dallis Sullivan Jr., president of the alumni association. The invocation was by Aaron Darnell. Two of the three members of the Richwood class of 50 years ago of the original group of 16 were present from Marion: John Jolley and Frank Harriman; the third member present was Miss Olive Sinkey of Richwood, who gave a short talk. Special recognition also was given to the Richwood class of 25 years ago.

Alumni Officers Chosen

Officers of the alumni association elected for the ensuing year are: president, George Keigley; vice president, Charles Gill; Mrs. Richard Lanstaff was reelected corresponding secretary, and Mrs. Robert Erwin secretaryy-treasurer.

The introduction of seniors was made by Dean Cochran of the high school faculty; a duet was sung by Janet Zuspan and Pat Sanders, and the Lions club quartet, Dr. D. J. Weber, Sidney Laymon, Robert Allen, and Marvin Fogt, gave selections with accompaniment by Mrs. Laymon and Miss Lena Chiesa; Miss Chiesa also gave a piano solo. Among other highlights were appearance of the Glenn Johnson orchestra of Marion and the Eastern Star chorus under the direction of H. Durnell.

The association chairman committees are: Mrs. Ralph Workman, entertainment; dance, George Keigley; decorations, Mrs. Fred Erwin; nominating, Fred Rapp, and reception, Mr. and Mrs. Glenn Oman.

A reunion of members of the 1943 graduating class of Richwood High school was held Saturday night at the home of Mr. and Mrs. Lloyd Mattison. The time was spent in looking at pictures and reviewing school days. Fifteen members and guests were present.

Cubs Oust Springfield from Ohio-Indiana League Lead with 4-3 Win

Castrovince's Seventh Inning Homer Sends Ball Game Into Extra Innings

Special to The Star

SPRINGFIELD, June 2—The Marion Cubs ousted the Springfield Giants from the Ohio -Indiana league lead here last night when Pete Neukirch's double to right field in the tenth inning sent Lou Castrovince home with Marion's fourth and winning marker in a 4 to 3 victory.

Castrovince had sent the game into extra innings in the seventh when he slammed one of Joe Greco's pitches over the center-field wall 350 feet away with Ray Peet aboard via a walk.

From the last of the second on, the game was played under protest, but it is doubtful if the protest will be upheld, inasmuch as the dispute concerned what base a Springfield runner was entitled to and he scored anyway later in the inning.

Carl Hosler opened the Giants' second, going all the way to second on Don Schmitt's boot.

Then Ray Berns singled to center field, scoring Hosler, and Berns moved to third as the throw-in got by two Marion infielders and Manager Zeke Bekeza behind the plate. Plate Umpire Pat Shaner sent Berns back to second base, ruling time was out. Springfield Manager Bob Roth entered his protest, but the next man at bat, Bob Davis, plated Berns from second with a double.

Springfield got to Ray Peet for another in the third when Dick Vonder Haar singled to center, went to second when Jim Caito was awarded first on interference by Catcher Zeke Bekeza and scored on Hosler's double to right.

The Cubs scored a run in the fourth on Bill Bolduc's single, Bob Shuford's double and a fly out.

Castrovince's four-base blow in the seventh knotted up the game at three-all, and he opened the tenth by getting his fourth hit in four trips, moving to second on Bohlander's fly out. Neukirch, who had walked the first three times up, also registered a perfect night at bat by doubling Castrovince home in his only official trip to the plate.

The win was Ray Peet's third against one loss, and the loss was Greco's second in eight starts.

The Cubs and the Giants will meet again here tonight, before Marion leaves for Portsmouth Thursday.

ASHLEY INDEPENDENTS RUN STREAK TO SIX

Ashley Independents continued on the unbeaten trail in three holiday games as Marion Haas Sandwich Shop surrendered a double bill Monday, 12-0 and 5-4, and the Galion American Legion went under, 5-4 in a Sunday game. The Independents now boast six consecutive wins.

Fred Riley took player of the day honors without question as he hurled a no-hit 12-0 shutout against Haas in the first game and followed it with a three-hit performance in the second, for a total of 14 innings. Haas held a 4-2 lead going into the fifth frame but pitcher Roseberry, in permitting five hits, was charged with the loss when the Independents counted three runs to take the lead in their half.

TAKES NEW JOB

CLEVELAND, June 2—Fred J. George, former coach at Lima St. Rose High school, has been named head grid mentor at St. Ignatius High here. His St. Rose elevens won 21 games, lost four and tied two during the past three years.

CLEVELAND BACKS INTO LEAGUE LEAD

By The Associated Press

WASHINGTON, June 2 — The first-place Cleveland Indians today had more profit to show from a day of idleness than they heaped from a full week on the baseball firing line.

Failing to catch up with the Philadelphia Athletics on the diamond during the last week, the Indians leisurely backed into the American league's top spot yesterday when Boston trounced the A's, 8-1.

Bob Lemon, leading winner in the major leagues with seven victories in nine starts, will attempt to extend two shutout marks tonight in the opening game of the Tribe's second eastern tour against the Washington Nationals.

Lemon has blanked the Nats twice, yielding only four hits each time, and has compiled a brilliant total of 25 scoreless innings of hurling. Wresting the No. 1 spot on the Cleveland staff from Bob Feller, Lemon also leads the league with 43 strikeouts—Feller's erstwhile specialty.

Casualties Joe Gordon and Joe Tipton are expected to see service by the end of the week as the Indians enter an important tour of 14 games with eastern clubs. Tipton left Cleveland yesterday for Copper City, Tenn., where his infant daughter is ill.

Tribe President Bill (Barnum) Veeck pulled another unorthodox move yesterday when he summoned rookie catcher Ray Murray from Oklahoma City for duty as a "standby."

With only Jim Hegan on hand for catching duties, Veeck indicated a telegram to league headquarters would place Murray on the playing roster immediately if Hegan suffered an injury before Tipton returned.

CINCINNATI REDS FACE GIANTS TODAY

By The Associated Press

CINCINNATI, June 2 — The Cincinnati Reds, who batted one team out of the National League lead, today face the new leaders, the New York Giants.

The Redlegs started climbing from the league cellar last week collecting victories over Brooklyn, Boston and Chicago. They capped the drive with a double victory over the St. Louis Cardinals and pushed the Redbirds from the league lead.

The Giants, who took over the lead, will determine if the Reds add more games to their winstreak, already five games long.

Mel Ott, whose club was picked by many during the spring session as a probable pennant winner, chose Lawrence Jansen, a right hander, to go out against Johnny Vander Meer. Vander Meer has two victories under his belt and will be seeking the third.

Jansen, an established hurler, already has five wins this season against three losses.

Police To Take Up Probe Of Pair Banned from Baseball

WINSTON-SALEM, N. C., June 1—Police investigation continued today where organized baseball left off yesterday in the banishment of two men from the game for life.

A lifetime ban was placed against Bernard Deforge, pitcher-manager of the Reidsville, N. C., team of the Carolina league, and Ed Weingarten, an official of the Florence, S. C., club of the tri-State league and Leaksville, N. C., of the Blue Ridge loop.

They were banned on charges of bribery, gambling and game-throwing.

George H. Trautman, president of the National Association of Professional Baseball leagues, ruled the two men out of organized baseball yesterday at his Columbus, O., offices.

Trautman said Deforge admitted throwing a game for $300.

Weingarten denied any connection with the incident.

Police Chief John Gold and Detective Captain W. R. Burke of Winston-Salem said no criminal charges had been filed but that "an investigation is being conducted and we are cooperating with baseball people in this thing."

A North Carolina statute makes "fixing" of athletic events a criminal offense.

At Florence, S. C., where Weingarten was general manager and major stockholder of that city's entry in the class B Tri-State league, minor stockholder of that city's entry in the class B Tri-State league, minor stockholders said the team would continue league play.

COLUMBUS COULD TAKE AA LEAD

By The Associated Press

Columbus opens a three game series at Indianapolis tonight with an outside chance of gaining the lead in the torrid pennant race.

The Red Birds are lodged in second place, 3½ games behind the Tribe. Milwaukee and St. Paul, follow, only 4½ games out of the lead. The Saints are at Milwaukee in the start of a two game set.

All Columbus has to do in order to reach the top is sweep the three game series—quite a neat trick. However, if this should be the case, Columbus would post a percentage of .617 and the Tribe would be cut from .653 to .615. That "if," however, is pretty big. But the Association has never known the impossible and this turn of events could happen.

Only one game was played last night. Last place Kansas City nicked Milwaukee 4-3 behind young Dave Madison's eight-hitter. He allowed only one earned run.

INJURED DRIVER RELEASED

Special to The Star

BUCYRUS, June 2 — Daniel Kozlowski, 33, Detroit, was dismissed from Bucyrus City hospital Tuesday following treatment for injuries received while participating in the midget automobile races at Upper Sandusky Monday afternoon. He received bruises and a back injury.

Rose Pockets $42,800 For Winning "500"

By The United Press

INDIANAPOLIS, June 2—Mauri Rose pocketed $42,800 today for winning the 500-mile Memorial day race and said he would be back next year to try for his third consecutive win.

His cut from the speedway was $26,150, plus $16,650 in lap and accessory prizes posted by various firms. Last year he received a total of $31,450 for winning the speedway race.

Bill Holland was given $19,100 for second, making a total of $61,900 for the two men driving Lou Moore's two Blue Crown Spark Plug Specials in the grueling contest.

MUNCIE TAKES LEAD --THANKS TO MARION

By The Associated Press

Muncie Reds took over first place in the Ohio-Indiana baseball league today thanks to Marion.

Marion's third-placers clipped Springfield, 4-3, in a 10-inning game last night, knocking the Giants off the top rung.

Muncie was two percentage points behind, but went ahead by nicking last-place Newark in another 10-inning game, 3-2.

In other games, Richmond climbed out of the cellar by snapping an eight-game losing streak at Zanesville's expense, 15-4, and Lima trimmed Portsmouth with a late-inning rally, 6-4.

Muncie's ace, Ken Lanning, scored his sixth win against one loss last night. He pitched the tenth inning as a relief hurler. The Reds won when Walter Polinski tripled with one away and scored on Bob Nieman's drive to the fence with two out. Newark manager Bob Dill had tied the score in the ninth with a homer.

Hal Luddy received credit for stopping another lengthy Richmond losing streak. A year ago, his effective flinging cut off a 13-game losing skein. Last night his seven-hitter put the Braves on the right track for the first time in nine games. Catcher Paul Mullin drove in six Richmond runs.

The linescores:

Newark	010	000	001	0—2	7 0
Muncie	001	010	000	1—3	11 0

Bobowski, McEvoy (7), Dube (8) and Trapani; Travn, Lanning (10) and Nieman.

LEESVILLE HANDS VFW SEASON'S 1ST DEFEAT

VFW went down to Leesville Monday for their first defeat of the season, 8-6. The Reds took advantage of five errors by the locals to overcome a 3-2 lead in the second. Fritz Walters was the best stick wielder for VFW getting three hits, including a homer.

VFW will hold a practice session at 6 p. m. Wednesday on Harding field.

YESTERDAY'S STARS

By The Associated Press

Batting—Whitey Lockman, Giants and Gil Hodges, Dodgers—Each drove in all his team's runs in an 11-inning 4-4 tie, Lockman hammered out two home runs and a single. Hodges slammed a three-run homer and drove in the other with a long fly.

Pitching—Walter Masterson, Senators — Pitched a five-hitter and retired the last 20 men in order as he hurled the Senators to a 4-1 victory over the New York Yankees.

Washington Downs Yanks, 4-1, In Night Baseball Inaugural

A crowd of 44,779 saw the New York Yankees inaugurate the night season yesterday at the stadium. The inauguration proved anything but a success as the Washington Senators, behind the five-hit pitching of Walter Masterson, defeated the Yankees, 4-1.

Only 4,908 fans in Philadelphia saw the Boston Red Sox bump the Athletics out of first place in the National league 8-1. The defeat left the A's still a half game in front of the Indians, but the Tribe's won and lost record of 23-11 for .676 was nine percentage points better than the A's 26-13 for .667. The percentage is the deciding factor at the end of the season.

Eddie Joost, Athletics' hespectacled shortstop, finally committed his first error of the season after playing through 41 consecutive errorless games—38 this season and three in 1947. The miscue ended a streak of 225 errorless chances. Both are new American league records.

The error occurred in the third inning when Joost threw Stan Spence's bouncer into the dirt while trying to catch a runner at the plate. Two men scored on the wild throw.

Whitey Lockman and Gil Hodges drove in four runs apiece as the Giants and Dodgers played an 11-inning 4-4 tie at Ebbets field before 9,353 fans. The game was halted after 11 innings in order to allow both teams to catch trains for the west where they open their second invasion of the season today.

The deadlock left the Giants still in first place, a half game ahead of the St. Louis Cardinals. Brooklyn is in seventh place.

No other games were scheduled in the major leagues.

SMITTY'S BOYS OPEN NCO SEASON TONIGHT

Smitty's Grill will open the North Central Ohio softball league season tonight at Crystal Lake park when they engage the German Rupp team of Mansfield. Smitty's broke even in four contests with the same Mansfield crew last year, winning two of three regular season games and then being dealt a knockout in semi-final action of the district tournament.

The first game will start at 8:30 p. m., followed by a game between Smitty's Maids and the Shanty Town Girls' team. The Maids skimmed over the Shanty Towners last week with a game saving rally in the seventh, 5-4.

Both the Boys and Girls will play in a doubleheader bill June 21 when Mt. Vernon comes here.

On July 2 an All Star team composed of the top players in the Inter-City league will play Ferguson State Auditors, one of the top softball teams in the state, at dedication ceremonies of Elks Memorial field at Willard.

12 OHIOANS QUALIFY FOR 1948 U.S. OPEN

By The Associated Press

Ohio will have a dozen representatives in the 1948 U. S. Open golf tournament June 10-12 at Los Angeles.

Ten Buckeye links artists qualified yesterday and two others Frank (Muscleman) Stranahan of Toledo and Lawson Little of Cleveland—were exempt.

Little was eligible for the National as a former champion, Stranahan for being among the first 20 finishers last year.

Four Ohioans qualified yesterday at Cleveland, two at Fort Worth, Tex., two at Cincinnati and one each at Detroit and Pittsburgh. They are:

Herman Keiser, Joe Thacker and Carson Heiner, all of Akron; Henry Pablan of Steubenville, Ken Peterson of Toledo, Walt McClain of Cleveland, Harold D. Paddock, Jr., of Aurora, and Toney Penna, John Busemeyer and Tommy Earls, all of Cincinnati. Busemeyer, Earls, Paddock and Stranahan are amateurs.

Busemeyer, a former Cincinnati city champ, turned in the day's best performance by an Ohioan. He toured the par 70 Cincinnati Country club course in a three-under-par 67-70—137. Earls was one-under-par with 70-69—139. The Queen City's other qualifier was Jack Ryan, Louisville pro, who had a 142.

Paddock's 71-75—146, two over par, was the day's best effort at Cleveland.

Pablan qualified at Pittsburgh with a 75-79—154 and Peterson qualified at Detroit with a 74-79—153.

Egyptian pharoahs of 4000 B.C. wore strings of iron beads, made from meteorites to ward off evil spirits.

Jaycees Down Eagles, Farm Bureau Beats Post 162 in Commercial Loop

W. and W. and Shanty Town pulled up all even, 4-4, at the end of seven innings last night when the game was called because of darkness. The M.M.P. and Company C game was postponed until Friday.

In other Commercial league games that went off without a hitch, Farm Bureau assembled runs in the first, third and fifth in downing Post 162 by a score of 3-1, and J. C. of C. won over Eagles, 8-6, in an extra inning pushing across two tallies in the eighth to break the deadlock.

W. and W. squeezed out a tie game in the late stages of the game when they came from behind to knot the count at 4-up in the sixth on a pair of runs. Lewis allowed seven hits while Taylor limited the W. and W. crew to three safe blows.

Post 162 and Farm Bureau played fine ball as each team hit successfully on six occasions and made only two errors. Both were made by the Bureau. Chapman for the Bureau and Whaley for the Post each rapped two for three.

H. Gilbert won his own ball game with a homer in the eighth with one on as the Jaycees took the Eagles. The teams combined to count 21 hits.

GIRL WRESTLERS HERE THURSDAY

Two of the best girl wrestlers in the country, Mae Young and June Byers have been signed for one of the main events at the armory Thursday night. Both of these girls have at least five years of pro wrestling experience so Marion grapple fans are sure of the best girl matches seen here.

The other ninety minute top attraction should prove plenty rough as Paul Orth has been signed to meet the big Englishman, Jack Terry. Both matches are the best two out of three falls.

The ten minute prelim at 8:30 is between the Barlow Brothers. Prices (all taxes paid) General 75c. Reserved $1.00 and Kids under 14 years 50c. Call Markert & Lewis Cigar Store early for best seats.—Adv.

NEWSPAPERARCHIVE®
NEWSPAPERARCHIVE®

OSKEY-LEFTWICH BOUT IS TONIGHT

Tonight at the Armory, Ermal Oskey of Circleville and Charlie Leftwich of Columbus will be featured on a 10-bout fight card promoted by the Marion Boxers and Trainers Association.

Oskey and Leftwich will fight a five-round scrap in the middleweight class in what will be for Oskey his last amateur fight before turning professional on the Godoy-Richards program at Columbus in June. Ermal will be risking a record of 60 victories when he climbs through the ropes with the dusky Leftwich.

Rounding out the 32 rounds of boxing will be nine three-rounders which will see Jack Seckinger and George Burton in a welter go, Joe Neidig and Virgil Wharton, lightweights, Bill (Torpedo) Tuttle vs. Pete Smith, Lawrence Strahm vs. a fighter to be chosen, Orlando Carbetta vs. Homer Humphries, Verlin White in a heavyweight scrap with a fighter to be chosen, plus several lightweight and middleweight matches.

GIRLS BEAT DELAWARE, 10-9

Joan Groll blasted two four-baggers and Mabel Wright one as Smitty's Maids chalked up win No. 3 in downing Delaware Girls, 10-9, on the Delaware diamond Suday.

Helen Mochel struck out seven and her mates counted 14 safe blows while miscuing on four occasions as the Maids maintained their undefeated status.

The Maids showed championship form in overcoming a 5-2 deficit in a big sixth inning splurge which netted seven tallies. They added the winning marker in the seventh and sweated out a five-run scare when the Delaware gals batted.

SET TRAINING OPENER

By The Associated Press

CLEVELAND, June 2—The champion Cleveland Browns of the All-America conference will open training at Bowling Green on July 26, coach and general manager Paul E. Brown said today. Twenty-five members of last year's squad and about the same number of newcomers are scheduled to report.

GRAIN MARKET

Local Grain Market

(Producers Livestock Cooperative Association Quotations)

Tuesday price after 2 p. m.: Wheat 2.23; No. 3 white oats 1.10.

Range

By The Associated Press

CHICAGO, June 2—Feed grains were a little higher at the opening on the Board of Trade today. Buying in corn was based largely on lack of moisture in the midwest, although grain experts said the dry spell could not be considered serious at this period in the crop's development.

Wheat opened unchanged to ¼ cent lower, July $2.33¼-2.33; corn was unchanged to a cent higher, July $2.18-2.18½, and oats were ¼-⅝ higher, July 92¾-⅝.

New York Stock Quotations

By The Associated Press

NEW YORK, June 2—Small gains and losses were just about a standoff in a slow stock market today.

Railroad issues showed signs of improvement at the opening but the carriers soon developed the irregularity that affected other groups.

Trading was near the lowest rate in days.

In the oil section several issues continued the upward trend which was so pronounced yesterday. Standard Oil (NJ) and Texas Co. (selling ex-dividend) added fractions but Mission Corp., slipped a trifle.

Marked up were Republic Steel, Youngstown Sheet, Chrysler, International Harvester, Baltimore & Ohio and Chesapeake & Ohio. A 25-cent dividend helped Pan American Airways.

Among the losers were Bethlehem Steel, General Motors, Woolworth, Western Union, Dow Chemical, Santa Fe, Illinois Central, and American Airlines.

Social Reform Asked by Pope

Pontiff Calls for Solution of Ills Growing Out of World Ruin and Revolution.

By The Associated Press

ROME, June 2—Pope Pius XII called today for "just and necessary social reforms" to solve problems "growing out of the ruin and revolution of the world and its aftermath."

Not otherwise, he said, could "wayward and embittered hearts" be won back to the "true concepts and sound ideas about the world and God."

He invoked "earnestness, loyalty, energy and fairness" of "all men of right principles" for the task, citing especially the urgent need to provide the poorer classes with housing, bread and work.

To Catholics he gave the watchword, "watchfulness"—lest the enemy, whose identity he did not specify, "retake the ground so laboriously conquered."

25-Minute Speech

The 25-minute speech in Italian was the pontiff's first major address since a Communist-led challenge was turned back in Italy's election April 18 and 19.

It was in reply to greetings from 17 cardinals of the Holy College on his saint's day. The Pope's name is Eugenio Pacelli. His saint is St. Eugene.

The address came, coincidentally, on the second birthday of the Italian republic, celebrated nationally.

Fighter planes of the tiny Italian air force roared above the Vatican as the Pope spoke. They were engaged in aerial maneuvers to mark President Luigi Einaudi's assumption of command of the armed forces.

Once again showing concern for peace, the Pope said that it, three years after a world war's end, still was the No. 1 problem.

He spoke sadly of "the profound consternation of all Christianity" that war, flaming already in Greece and China, had broken out in the Holy Land.

Sees Dawn of Hope

But he said the truce concluded last night, though provisional, yet must be greeted "with a sigh of relief as a dawn of hope."

Yesterday Italy's Catholic Premier Alcide De Gasperi took before a new parliament his four-party government's program for land, labor and currency reform, which the Communist left hooted.

It was perhaps to De Gasperi as much as to any ruler that the Pope addressed himself.

They should, of course, he added, reserve their freedom of action "in the face of political currents, thus to stop "the advancement of religious nihilism" and "profanation of the person and dignity of man."

Tris Speaker Is Guest Of Galion Lions Club

Special to The Star

GALION, June 2—Tris Speaker of the Cleveland Indians, was guest speaker for the Lions club meeting Tuesday night when the club entertained members of the Galion High school baseball team and Coach Ed Rannow at a dinner at the American Legion home. More than 150 were present. Group singing, pledge of allegiance to the flag, and invocation by Rev. Herbert S. Garnes Jr. of First Lutheran church, preceded the dinner.

Welcome was extended by the president of the Lions club, C. F. King, and introduction of the program chairman, Elwood Christman. A barber shop quartet, Woodrow Crissinger, Luther Trautman, William Blashfield and Orville Allen, sang. Coach Rannow presented his players. Tris Speaker received a gift from the club.

Three-quarters of the maple syrup and sugar produced in the United States come from Vermont and New York.

NOTICE OF SALE OF REAL ESTATE

In pursuance of an order of public sale issued to me by the Probate Court of Marion County, Ohio in Case No. 16688, I will offer for public sale at the east door of the Court House in the City of Marion, Ohio, on Saturday, the 3rd day of July, A. D. 1948 at 10 o'clock A. M. the following described real estate: Situated in the County of Marion, in the State of Ohio, and in the City of Marion and bounded and described as follows: The undivided one-third interest in Lot number 3867 in J. J. Hane's Second Addition to the City of Marion, Ohio, being House No. 300 Summit Street, Marion, Ohio. The entire lot is occupied by house No. 300, Summit Street, Marion, Ohio.

Said undivided one-third interest is appraised at $1500.00 and must be sold for not less than two-thirds of the appraised value.

Terms of sale—cash.

Cora Shupp Kavanaugh, administratrix of the Estate of Amrel F. Shupp, Deceased.

John H. Clark, Her Attorney.

June 2,9,16,23,30,1948.

LEGAL NOTICE

In the Probate Court of Marion County, Ohio. Case No. 17618.

Leon Bomas, Administrator of the Estate of LaVern S. Bollen, deceased, Plaintiff, vs. Leon Bomas, Administrator of the Estate of Sam S. Bollen, deceased, et al., Defendants.

Hazel Wagner, William Biehl, Mildred Hardwick, Ruth Cole and Fay Daniels, next of kin of LaVerna S. Bollen, deceased, and Valantina Valsamidis and Konstantine Valsamidis, next of kin of Sam S. Bollen, deceased, whose places of residence are unknown and cannot be ascertained, will take notice that on the 1st day of June, 1948, the undersigned, Leon Bomas, Administrator of the Estate of LaVern S. Bollen, deceased, filed his Petition in the Probate Court of Marion County, Ohio, alleging that the value of the personal property of said Estate is insufficient to pay the debts and charges against said Estate; that the sale of the real estate hereinafter described is necessary for the purpose of payment of said debts and charges; and praying that said property be sold, free and clear of any claims or interests of the Defendants named.

Said real estate is described as follows:

Situated in the County of Marion, in the State of Ohio, and in the Township of Green Camp and bounded and described as follows: Being all that part of the following described land that lies East of the Atlantic and Great Western Railway (Erie Railroad), being land heretofore conveyed by Henry Brinker to Mary Yeo, wife of F. W. Yeo:

On the waters of the Scioto River being part of survey Number 2967 in the Virginia Military Land District, described as follows: Beginning at Henry Brinker's upper corner at a post 29 in. N. 36 W. 26; thence north 82 degrees west along the line between Brinker and Wolford ten (10) chains, 82 links to a post; thence south 13 degrees east thirteen (13) chains, seventy-five (75) links to a post in the road; thence north 82 degrees east along said road sixteen (16) chains twelve (12) links to the corner of land under the bridge; thence up the river with the meanderings thereof fifteen (15) chains and thirty (30) links to the place of beginning containing nineteen (19) acres.

The part conveyed by this deed to contain seven (7) acres, more or less, lying east of said Railway.

Excepting, however, an .18 acre tract and an .011 acre tract deeded to the State of Ohio, by deeds recorded in Volume 217, at pages 482 and 483 respectively.

Subject to the easements granted to Marion Reserve Power Co. and Marion Rural Electric Cooperative, Inc. in deed Records of Marion County, Ohio in Vol. 208, at page 55 and 207 at page 242.

The Defendants named above are required to answer on or before the 24th day of July, 1948.

STRELITZ & HALBERSTEIN, Attorneys for Plaintiff.

June 2,9,16,23,30,July 7,1948.

WANT ADS DIAL 2314

TODAY'S BIRTHDAY

By AP Newsfeatures

THURMAN ARNOLD, born June 2, 1891, came out of the west in 1937 to fight trusts as assistant U. S. attorney general. On his way he stopped for a tour as Yale professor. One bemused hearer said, "he talks like a windmill." Others said his books on economics left them in a fog. But he was in dead earnest about trust busting and won many suits. World War II hampered the work, however. He became U. S. judge in 1943 and left that job for private law practice in 1945.

One Man's Opinion

By WALTER KIERNAN

The lot of the married man is steadily improving . . . Now two-fifths of the wives of the country are gainfully employed.

* * *

The other three-fifths can be talked into it if their husbands are at all clever.

* * *

More married than single women are now regularly employed . . A goal husbands once thought impossible of attainment.

* * *

But it shows the progress women have made since they began their drive for equal rights . . . Today they can put in their 8, 10, 12 hours, just like any man.

* * *

In fact the way most of us men feel about work there never was greater opportunity for a working wife than there is today . . . And if they can't find jobs we'll find them for them.
